DEDICATED IN HONOR OF MISS MARJORIE SPENCE

Marjorie Spence was born January 4, 1896 the first child of Willoughby and Carrie Bradley Spence.

She attended the following schools: Chalybeate, Olive's Branch, Cape Fear, Buies Creek Academy where she made her profession of faith and following baptism became a member of the church. She graduated from Lillington High School in 1916 and then later Meredith College.

She taught school for 2 years at Chalybeate School, Lillington and at Pineland School for girls at Salemburg prior to attending Southern Seminary at Louisville, Ky. graduating in 1925.

While in the seminary she heard a missionary from Chile speak and responded to the call to mission service and in August 1925 left for Chile.

During her long and faithful service in Chile from 1925 to 1965 she taught school and worked with churches and witnessed to many.

Since her retirement from foreign mission service she continues to be busy working with youth mission groups at Caswell and Mundo Vista, speaking in many churches and in world Mission conferences in addition to teaching a Sunday School class and serving as a deaconess in the Chalybeate Springs Baptist Church.

Upon becoming a fifty year alumna of Campbell University, Miss Marjorie was inducted into the Golden Key Club serving as president. She is the first woman to receive the Distinguished Alumni Award at Campbell. She has helped countless numbers of young people to get an education and become ministers, missionaries, church workers and leaders in their communities. Some of these have come to America from Chile and have remained in America while others have gone back to serve in their own country.

Only Eternity can reveal the influence and example of her Godly life and service.

1981 MINUTES OF LITTLE RIVER ASSOCIATION

He was converted and joined the church in July, 1908 at Chalybeate Springs Baptist Church and was baptized in Spence's Mill Pond.

On December 23, 1919 he was married to Blanche Smith. His surviving children are: Hilda Pichard, Randleman, N.C., Leta Rosser, Fayetteville, N.C. and Henry Haywood, Jr., Charlotte, N.C.

At the time of his death, he was serving as a member of Little River Baptist Association's Ordination Committee.

Mr. Hamilton was also a community leader; active in the Rotary club of Lillington, served as town councilman and mayor, active in Scouting.

BAPTIST CHILDREN'S HOMES REPORT

The ministry of the Baptist Children's Homes in Southeastern North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Family Services Center office, serving the ten Southeastern counties of North Carolina, is located on the Odum Home campus, Pembroke, North Carolina. Through this office all services of our statewide Institution are made available to those who need assistance from the Homes.

Construction has been completed on the Jimmy Latta-Harnett County Cottage and the new cottage is expected to begin serving children by early fall. The addition of the new cottage will increase the Odum Home capacity to thirty-four children. We thank God for His leading in supplying this need on the Odum Home campus.

Programs located in the Southeastern area include: group care at Odum Home, emergency care at Supply, North Carolina, a network of foster homes, mother's aid, social work and counseling services. Children and their families from Southeastern North Carolina are usually served through these programs.

Respectfully submitted,
Abe Elmore

NORTH CAROLINA BAPTIST HOMES REPORT

As we look back over the past thirty years of ministry in our Baptist Homes, God has richly blessed us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. Where we go from here is, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it doesn't appear that we could wisely borrow the money at the current rate of interest.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions offering are a little more than $550,000 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels—the CP and the NC Missions offering. Two, N.C. Baptists must help us find ways of raising money for development and expansion to meet the needs of growing numbers of older adults.

Respectfully submitted,
Jack Hayes

linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes—making transfusion faster and less expensive.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels and numerous events in Christian enrichment and development.

In 1980 our churches contributed $457,459 to the hospital through the Cooperative Program and $353,398 through the North Carolina Missions offering and designated gifts.

REPORT OF WOMAN'S MISSIONARY UNION

Our WMU Watchword for the year was "Commit thy way unto the Lord; trust also in Him; and He shall bring it to pass" Ps. 37:5 and our hymn was "Take My Life and Let It Be." Through all of our meetings this past year we have tried to emphasize the fact that God will not only enable us to change but also will give us the courage to change our lives to be more conformed to His will.

Our Associational Workshop was held last September with Neill's Creek Baptist Church with ninety-seven attending. Churches were encouraged to hold their own foreign mission studies and your Director was asked to teach twelve of these. We sent $300 to our State WMU to help provide bedspreads and towels and washcloths for the women at Central Prison.

The annual banquet for Pastors and their wives was attended by ninety-six at Campbell University. For the Home Mission Study in the Spring, churches were divided into four groups and the Associational WMU officers formed a team to teach the study at four different points. Over 500 men, women, young people, children and pre-schoolers were involved in this study.

Our prayer retreat was led in March by Mrs. F. W. Bruce of Winston-Salem with one hundred and thirty women present.

Miss Nancy Curtis, our State WMU Executive Director, was our speaker at the annual meeting in Dunn's First Baptist Church.

All of our associational organizations were active during the year. One or more events were held and led by Mrs. Eleanor, Mrs. Sheryl Morris, Mrs. Sheila Sandy, and Mrs. Lorraine Neville for Acteens, Girls in Action, Mission Friends, and Baptist Young Women.

Last year at Charlotte at our State WMU meeting, our Associational WMU was recognized as an Advanced organization. This year we are happy to report we are able to ask for Distinguished recognition.

Respectfully submitted,
Vivian Simpson

REPORT OF CHRISTIAN HIGHER EDUCATION

The challenge of Christian Higher Education has never been greater. With the rising tide of secular education there must be a positive and aggressive Christian education to literally be "the salt of the earth and the light of the world."

To remain winsomely Christian, institutions of higher education must hold true to the founding purpose of their reason for being. Such fidelity will require a Christian faculty and administration and a day commitment to the Lordship of Jesus Christ.

Christian Higher Education is challenged to create learning situations where inspired students will develop quality character and intellect. There can be no reduction of the demand for excellence by faculty and students.

Christian Higher Education must be supported in a sacrifical way. North Carolina Baptists have been very generous to their colleges and universities. Last year's budget included $4,235,000.00 for Christian Higher Education. Yet, with increased inflation and continuing state support for public colleges and universities, the cost of attending a Baptist college or university continues to rise. The product of Christian Higher Education is vital for the continuing leadership in our churches, homes, communities, and nation. There has never been a vital force that came on a bargain counter. Christian Higher Education is worth the sacrificial support of the Baptists of North Carolina!

CHRISTIAN LITERATURE REPORT

Our information, knowledge, attitudes, and important decisions are, to a great extent, determined by what we read. The Southern Baptist Convention and North Carolina Baptist State Convention provide literature second to none to all ages of people. We should make this literature available and encourage its use.

The Southern Baptist Convention Annual and *The Christian Literature Order Form* provide a list of all the materials they publish. The Curriculum Laboratory at Campbell University has samples of all the literature provided by our convention. You are welcome to visit the facility and examine these materials so that you can decide what to order for your particular situation.

The Biblical Recorder has been for 148 years the information publication for the people of North Carolina Baptist State Convention. *The Recorder* keeps us informed about Baptist work in North Carolina, the Southern Baptist Convention, and, in fact, ahl over the world.

This past year, the *Biblical Recorder* has reminded us all of the value of good church-pastor relations. This is just one of many subjects the *Recorder* seeks to cover for North Carolina Baptists.

The *Recorder* also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The *Recorder* was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there—a front row seat, as it were, for only 7 cents (cost of one *Recorder*.)

If you are not receiving the Recorder, you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

People are going to read something. Let us encourage them to read the best by providing the best for them.

AMERICAN BIBLE SOCIETY

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production and distribution of God's Word without doctrinal note or comment, and without profit.

On behalf of the millions of people who learned about our Lord Jesus Christ through the pages of Scripture, in 1980, the American Bible Society expresses thanks to all who have shared in these successful programs of Scripture evangelism.

During 1980 the Bible Society of Brazil produced for the first time the illustrated New Testament in Today's Portuguese. In addition, work is continuing on the complete Bible in this version. Also in Nigeria translation of the complete New Testament was reported for the first time ever in the languages of Angas and Yala. At the present time at least one book of the Holy Scriptures has been published in more than 1600 languages.

The denomination's support for each of the past four years has averaged about two cents per member. That is the equivalent to ten percent of one postage stamp, come this November. Perhaps we could look for the day when the average gift to the Bible Cause will be at least four cents per member. I urge every church in this association to put this worthy cause in their church budgets.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

During 1981 the Council on Christian Life and Public Affairs continued to strengthen its work among North Carolina Baptists through an increase in the number of field service events, training associational Christian Life committee members, and providing information and guidance on matters such as world hunger, citizenship concerns, and a wide variety of social and ethical issues.

The Council placed special emphasis on the following areas: Department of Aging in which field this past year four conferences/retreats were held at Caraway Conference Center with nearly five hundred senior adults attending. Special Concerns seminars, involving about one hundred people, were held at Wake Forest University and Mars Hill College dealing with the subject "You and Your Aging Parent." Several Associations had senior adult rallies and leadership training events in which the department participated. Senior adult ministries continue to develop across the state.

Department of Christian Citizenship Education": The Work of the Legislative Information Network has continued this year, with a bi-weekly newsletter going to more than seven hundred contact persons and all members of the General Assembly. This year, for the first time, the L.I.N. members also received in-depth issue papers on a few legislative issues.

Department of Christian Family Life: A wide variety of events was sponsored this year, including six marriage enrichment retreats and one event for leadership training in marriage enrichment; three family enrichment conferences and two singles seminars; three conferences on aging and one for parents of exceptional children.

A new series of pamphlets "Growing Christian Families" was begun and the first edition, dealing with parenting helps, will be ready this fall.

ANNUITY BOARD REPORT

"Nineteen hundred eighty has been a year of unprecedented growth and startling change," according to Dr. Darold H. Morgan, president of the Southern Baptist Convention's Annuity Board.

Key statistical highlights in 1980 included:

1. A 13th Check amounting to 10 per cent of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of $21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $15,955,965.
4. Total assets held in trust at the close of the year equaled $806,518,757. This figure represented a growth of $139,043,770 over 1979's total.
5. Premium income totaled $87,938,590, including contributions and relief receipts. A total of $42,121,138 was designated for the Fixed Fund, $3,620,501 was earmarked for the Balanced Fund and $11,063,513 went into Plan A. Insurance premiums totaled $24,863,894.
6. At the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund.

In Little River Association 28 churches and 32 staff members are participating in the retirement program. Of this number 12 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

NORTH CAROLINA BAPTIST FOUNDATION

During the past year, twenty-three new trust funds valued at $285,016. were established with the N.C. Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ - even beyond one's lifetime.

REPORT ON EVANGELISM

Our churches and our Association cannot be proud or satisfied with our record in evangelism the past ten years. Somehow we must become more burdened and active in our efforts to win people to Christ, and this must be true in every church. We must learn the names of the unsaved and unchurched persons and visit them with a winsome invitation to come to Christ and His Church.

The greatest organized effort in this direction is planned for 1982, and we hope to experience the greatest concerted effort on the part of the churches of the Little River Baptist Association.

This is the 1982 Joint Evangelistic Crusade sponsored by the Baptist State Convention and the General Baptist State Convention of North Carolina, using the theme, "Here's Hope." It is an effort to have 5,000 Baptist churches in our state involved in outreach evangelism. Preparations have been underway all this year, with eight basic thrusts in all.

Many of our churches and pastors have already committed to participation in the 1982 crusade, which begins on March 14, 1982. We hope that every church and pastor will be committed to the crusade and will participate with enthusiasm. One of the most important things we will do is the People Search to identify and contact all unsaved persons in our state.

Another is the Personal Encounter Witnessing Training for pastors and lay leaders of the churches. Another is the continuing emphasis on prayer, which is vital to the success of the entire effort. It is my hope and prayer that this great crusade will be but the beginning of greater, more intense and continuing efforts on the part of pastors and churches to win the lost to Christ in 1982.

Tom M. Freeman

WORLD MISSIONS REPORT

Missions is the heart-beat and life-line of Southern Baptists. Missions is sharing the Gospel, whether it be in Harnett County, North Carolina, the U.S.A. or around the world. In word and deed, Southern Baptists are still seriously and earnestly obeying the Great Commission to "Go ye into all the world."

At the beginning of 1981, the Foreign Mission Board reported over 3,000 missionaries serving in 96 countries and 93 different types of missionary service. Southern Baptists, through the Foreign Mission Board, cooperate with national entities representing 11,500 churches. Last year these churches reported over 100,000 baptisms. In fact, it only took eleven overseas Baptists to win one new convert last year!

As we look at Home Missions we find equally thrilling statistics. The $36.6 million budget reflects the largest Annie Armstrong Offering ever given-$16.5 million. The missionary force increased to 3,000 who reported 429,000 baptisms.

We have just concluded the emphasis on our N.C. Mission programs, and once again were reminded of the tremendous and far-reaching ministries of North Carolina Baptists. With the offering goal at $2,750,000 every facet of our work will be strengthened and enlarged. Carolyn McManus Jones, writing in the introduction to the booklet "Churchmen on Mission, says that we must all sharpen our listening skills so that we do not miss the voice of God calling us to mission work." Carolyn Jones, and her husband, Archie have heard that voice and are responding. This we must do also, whether it be in our own neighborhood, in our own association or to go to the far corners of the earth, we must be willing to say "Here am I, send me."

Vivian Simpson

COOPERATIVE PROGRAM/STEWARDSHIP REPORT

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1982 we must demonstrate our willingness to make our Bold Mission Thrust dream come true through our Bold Giving.

During the past year (1980-1981) the churches of our association gave **$203,477.40** through the Cooperative Program. Last year our churches gave **$33,100.43** for associational missions.

In our state, our 1982 Cooperative Program goal is **$20,800,000.00**. Of this amount **$13,712,500.00** or 65% will be used for State Mission ministries. **$7,087,500.00** or 35% will be used for Southern Baptist Convention mission ministries. Our associational missions goal for 1982 is $38,957.00, an increase over this year of **$1,471.00**.

WE RECOMMEND

1. That every church encourage its members to grow in the grace of giving, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.
2. That every church accept the responsibility of teaching its members the principles of biblical stewardship and provide studies and activities throughout the year to accomplish this goal.
3. That every church seek to increase its budget income during the year by at least 15 percent.
4. That every church develop a unified budget and conduct a budget

program that would emphasize the importance of each individual member's giving and involvement in the life and work of the church.

5. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.

6. That the association assist the churches in accomplishing their task of developing Christian stewards by providing information and/or a conference explaining the stewardship resources available to the churches.

Woodrow Neal

REPORT ON THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

We are the channel through which churches and Christians of many denominations express our convictions and work to meet the moral and social challenges in our society. On January 1st of this year Coy C. Privette began his work as our Executive Director, upon the retirement of D. P. McFarland. This has been one of our busiest years, and our influence has been exerted in the State Legislature to a greater degree than ever before.

Our Trustees developed a legislative program of fourteen items, and had them introduced in the Legislature by elected leaders who are in sympathy with our program. The drug paraphenalia act was passed into law. We have had some success in fighting obscenity and pornography and the proliferation of beverage alcohol. Our Executive Director and President have appeared many times in the legislative hearings on various bills that relate to our programs.

We will continue to try to secure legislation raising the legal drinking age to 21 years, to prohibit the sales of liquor in satelite annexed areas, to secure a state-wide referendum on beverage deposit legislation, to secure the repeal of the adversary hearing feature of the obscenity law, to prohibit open beer and wine containers in motor vehicles, to amend the state constitution to permit our people the right of initiative and referendum.

The League is striving to find ways to implement our efforts as Christians to be the salt and light in our society. We need your support in prayer, work and financial backing. We are trying to enlist 1,000 churches or individuals who will become prayer partners and contributors to our work.

Tom M. Freeman, President

LONG RANGE PLANNING COMMITTEE REPORT

The Gospel writer, Luke, records that in the early stages of Jesus' ministry He returned to his hometown of Nazareth and was teaching in his home synagogue where he had been raised and where the people knew his family. For the first message in his hometown, Jesus opened the scroll of Isaiah and read these words:

> *The spirit of the Lord is upon me, because he has appointed me to preach the Good News to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight to the blind, to release the oppressed, to proclaim the year of the Lord's favor.*
>
> *Then he rolled up the scroll, gave it back to the attendant and sat. The eyes of everyone in the synagogue were fastened on him, and he said to them, "Today this scripture is fulfilled in your hearing" (Luke 4:18-21 NIV).*

This scripture passage gives a perfect description of the ministry that Jesus came to fulfill and what has become the mandate for the ministry and mission of the church.

In keeping with the spirit, message, and ministry of our Lord, the Long Range Planning Committee has sought to determine the priorities and needs for the Little River Baptist Association in proclaiming the Gospel to the poor, healing the sick, and addressing various kinds of oppression. After careful research, study, and evaluation the committee makes the following three recommendations:

RECOMMENDATION I

That the Constitution Committee review and rewrite the Constitution of the Little River Baptist Association.

RECOMMENDATION II

That the following four priorities be the major focal points of ministry of the Little River Baptist Association for the next five years:

A. **Priority 1.** Increase cooperation and involvement of all churches in Associational Missions with special attention given to the following areas of need.

(1) Improve communications and publicity
(2) Leadership training
(3) Creative Annual Session that will reflect the ministry and mission of the Association and her churches
(4) Good annual planning of Associational calendar
(5) Further equipping of Associational Office to be a resource center for churches.
(6) Mission Education
(7) Increase financial support to Associational missions

B. **Priority 2.** Discipleship training with special attention given to the following areas of need:

(1) Lay training and involvement
(2) Stewardship
(3) Deacon Ministry
(4) Spiritual gifts and use
(5) Associational-wide Renewal Retreats
(6) Development of associational talent bank

C. **Priority 3.** Evangelism with special attention given to the following areas of need:

(1) Lay Witness Training
(2) Survey for new areas of work with possibilities of establishing new churches
(3) Innovative methods for reaching the lost of our counny (It is estimated that 40% of the people in our country are unchurched!)
(4) Emphasis on reaching the unchurched population 35 years old and under (60% of the county's population is in this age group)

D. **Priority 4.** Social action ministry with special attention given to the following areas of need:

(1) Establishing a weekday ministry in the Anderson Creek area
(2) Migrant Ministry
(3) Ministry to special population - retarded, blind, deaf
(4) Increase financial support of associational churches to the Life and Family Resource Center (a Christian counseling Center born out of a dream of the Pastor's Conference)
(5) Singles
(6) Senior Citizens
(7) Jails and Harnett Youth Center
(8) Alcohol and Drug Problems
(9) Rest Homes and Nursing Homes
(10) International Students at Campbell University
(11) Summer Youth Ministry
(12) Foster Homes
(13) Family Life Enrichment

RECOMMENDATION III

We recommend that a Task Force Group for each of these four major areas be appointed to develop strategies for meeting these priorities and assigning appropriate officers and organizations of the Little River Baptist Association to be primarily responsible for implementing the respective strategies. The Task Force Groups are to be appointed by an ad hoc committee consisting of the Moderator, Director of Missions, Sunday School Director, Church Training

Director, WMU Director, Brotherhood Director, and President of the Pastor's Conference.

Resepctfully submitted,
John S. Rogers, Chairman
Long Range Planning Committee

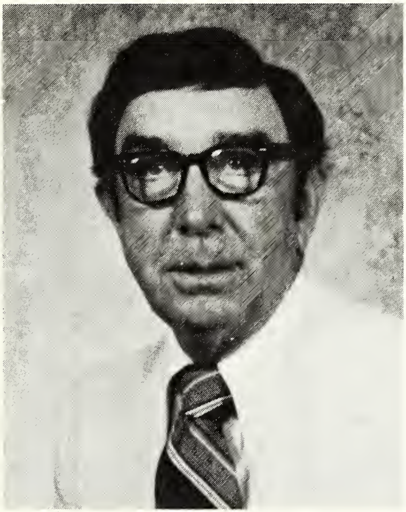
DEDICATED IN MEMORY OF TRUBY POWELL



Truby Powell was born August 1, 1912 in Wilburn community, Wake County, the son of Gustin and Floyd Edwards Powell.

His education began in Wake County schools. Later on he graduated from Lillington High School and the two year course at Campbell College in 1931.

As a young man he made his profession of faith and joined Piney Grove Baptist Church. When his family moved to Harnett County in the 1920's he joined Antioch Baptist Church where he served as Training Union Director, sang in the church quartet and served in other places.

He married Letha McLean of Mamers December 25, 1926. On March 6, 1938 he moved his membership to Lillington Baptist Church and remained a faithful member until his death December 8, 1981. He served as deacon, usher, choir member, Sunday School teacher and in other places of leadership.

Truby's service extended outside his church including these areas of service: Regional Church Training Director, Associational Church Group leader. He was very active in our associational regional and State Church Training work. At the time of his death he was serving as a member of our Associational Building and Grounds committee.

For 20 years Truby owned and operated a grocery store in Lillington and later was employed as clerk and assistant manager of the Progressive and Piggly Wiggly Food stores in Lillington.

Truby was a humble Christian servant, a loving and caring person. His daily Christian life was a blessing to those who knew him. To know him was to love him. Our loss is Heaven's gain. "Precious in the sight of the Lord is the death of His saints." Psalm 116:15

1982 MINUTES OF LITTLE RIVER ASSOCIATION

DEDICATED IN HONOR OF REV. AND MRS. J. HENRY SIMPSON, JR.

At the age of 12 he made his profession of faith in the First Baptist Church, Woodruff, S.C. where his father was pastor.

He graduated from Woodruff High School and continued his training at Furman University, Greenville, S.C. (BA degree-1939) and at Southern Seminary, Louisville, KY (BD 1947; Th M - 1948).

During the intervening years (college and seminary) he studied law at the University of South Carolina, taught school at North Charleston High School, worked in the Navy Yard, served as Army Chaplain in World War II. He was ordained to the Gospel ministry by the Charleston Heights Baptist Church, January 3, 1942 and married Vivian Ray Cooper of Sumter, S.C., July 8, 1943.

Following his training at the seminary, he served pastorates in South Carolina-Pendleton, Heath Springs, Buffalo; Norwood, Ohio and as Director of Missions, Eastern and Little River Baptist Associations.

Mrs. Simpson graduated from high school, Sumter, S.C., attended Anderson Junior College, finished Carver School of Missions and Sociology, Louisville, KY.; graduated from Campbell University 1980. She has served as pastor's wife; Church Secretary/Educational Director; Church Financial secretary and has been very active in WMU work. She has served two terms on the Home Mission Board, SBC. She presently serves as secretary to the Dean, Campbell University.

The Simpsons have three children: Mrs. Sylvia McQuaig, Jacksonville, Fla.; James Henry Simpson, III, Garner and Mrs. Mildred Tatum, Louisville, Ky.

"Let them bring forth their witnesses that they may be justified, or let them hear and say, it is truth. Ye are my witness, saith the Lord and my servant whom I have chosen." Isaiah 43:9, 10 Henry and Vivian Simpson have been a witness for the Lord in Little River Baptist Association. Their eyes were opened to the needs of the churches, their ears opened to listen to the people, their hands ready to work and help, their hearts opened with love and understanding.

BAPTIST CHILDREN'S HOME REPORT

The Pembroke Family Services Center serves nine Southeastern counties: Robeson, Columbus, Bladen, Sampson, Cumberland, Harnett, Hoke, Scotland and Richmond. Central to this service area is Odum Home, Pembroke.

Significant growth has occurred at Odum Home. The Home is operating at near capacity with applications constantly being serviced. The Jimmy Latta-Harnett County Cottage is operating as an Emergency Care Home and fills a vital need in this area of the State. Darrell Garner has been named as Resident Director of Odum Home and is available to provide any service offered by the Children's Homes anywhere in North Carolina.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North Carolina. Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like every one else — we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

Respectfully submitted,
James Latta

EXECUTIVE COMMITTEE REPORT

The Executive Committee met in regular sessions January 25, April 26, and July 26 during 1982 at Buies Creek First Baptist Church.

1. Reports were given by organizational leaders, treasurer, committee chairmen and our Director of Missions.

2. At the January meeting a committee of Floyd Glover, Joe Dillon and Director of Missions was requested to select nominees to represent our association on the General Board of our Baptist State Convention for a four-year term replacing Mrs. Gloria Hawks whose term expires December 31, 1982. The committee's nominees were Tom Freeman (pastor) and Mr. C. A. Parker (layman) of Erwin.

3. At the April meeting the following organizational leaders were recommended by the nominating committee to serve for the coming year:

Sunday School Director - Frank Neville
Church Training Director - Mrs. Brenda Burgess
WMU Director - Mrs. Henry Simpson
Brotherhood Director - Mickey Bennett

These leaders were approved.

4. At the July meeting Mauricio Vargas, State Language Missions worker spoke in behalf of mission opportunities with Spanish speaking people in Harnett County.

The suggested 1982-83 budget was presented by George Magill, Finance Committee chairman, which was approved.

The Nominating Committee recommended Patrick Edison Quick, Lillington to serve on our Building and Grounds committee replacing Truby Powell deceased. The recommendation was approved.

I would like to take this opportunity to thank all of our pastors and churches for the beautiful cooperation they have given to the association this year and you who are now serving and have served on the many committees and a special thanks to the Long Range committee that is now working so hard to help our association meet the needs of people here in our association. To each of you I would like to say "thanks.

Respectfully submitted,
Floyd Glover, Moderator

NORTH CAROLINA BAPTIST HOMES REPORT

Last year was a good year for North Carolina Homes. We had 45 persons admitted, giving us an average daily population of 269 persons.

Great things are in store as we look to the Lord, and to North Carolina Baptists, for the future! The Trustees, at their May meeting approved a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be on our way to adding much needed nursing care beds and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit.

Our major concern is in regard to our assisting those who need supplement financing. Gifts through the Cooperative Program and North Carolina Missions Offering help us undergird those who cannot pay the full cost of care. Residents who will be looking to the Baptist Homes for their care and the 43% short fall in mission gifts will place increased demands on the benevolent funds. Also, persons on the waiting list who cannot pay the full cost of care may have a longer period to wait because of limited funds.

We believe, therefore, if you know the need, you will respond to it by support that you will give through the Cooperative Program and North Carolina Missions Offering.

We love you, and we thank you for your love, your gifts and your prayers.

Respectfully submitted,
Jack Hayes

BAPTIST HOSPITAL
Report to the Association
1982

With 673 beds in use, Baptist hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's out-patient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) A new method of delivering anti-cancer drugs by means of "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. (2) A new type of x-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis." This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both in-patients and out-patients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morgantown, and Charlotte all continued to experience growth.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totalled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Respectfully submitted,
Ann Reece

BROTHERHOOD REPORT

A conference was held for Brotherhood officers, Baptist Men officers, and Baptist Men. Conferences were also held for Pioneer RA leaders as well as for Crusader RA leaders. Fourteen churches were represented with an attendance of around 60.

An Associational Outdoor Men and Boys' Rally was held September 11, 1982 with the Holly Springs Baptist Church from 2:00 P.M. to 8:00 P.M. The program schedule was as follows:

3:00 P.M. - 6:00 P.M. Games and recreational activities
6:00 P.M. - 7:00 P.M. Supper in fellowship hall

Men from Antioch, Erwin First, Lillington, and Westfield Baptist churches were involved this past summer in various mission activities in West Virginia.

Let me close by challenging every church in Little River Baptist Association to have active Brotherhood work. If I can assist your church in Baptist Men's work I will be happy to do so.

Respectfully submitted,
Mickey Bennett,
Brotherhood Director

ASSOCIATIONAL W.M.U. REPORT

In 1981-82, W.M.U. entered the final year of a three-year emphasis on life-changing commitments. If we are to reach our world for Christ by the end of this century, life-changing commitments are mandatory.

Our watchword included the question God asked Isaiah, "Whom shall I send, and who will go for us" and it included Isaiah's reply, "Here am I, send me." Through the year the Woman's Missionary Union has tried to build upon this theme and call the women of the Little River Association churches to Boldly Grow, Boldly Give, Boldly Pray, and Boldly Go.

In September over 100 women came to Bethel Church for two nights of manual study. During the fall quarter we encouraged the churches to promote the Lottie Moon Christmas Offering and give their very best offering, to engage in concerted prayer for our foreign mission programs, and to express their concern for the women in the N.C. Correctional Center in Raleigh by participating in helping to provide Christmas gifts for them. $180 was sent to help buy material for drapes and bed-spreads for the prison units.

We began 1982 with a mini-retreat at the Friendship Baptist Church, Bunnlevel, where Mrs. Horace McRae, our State W.M.U. President, led us in studying about our own unique gifts, identifying them and then using them for the work of the Kingdom of God, particularly in the area of being "Witnessing Women."

February is always a happy month in that it brings a time when we can express to the pastors of the Little River Association our appreciation for their support and encouragement in W.M.U. work in their churches. Our banquet was held this year at the Western Steer Steak House with Reverend Donald Myers as our speaker, and Mrs. Sharyn Oakley McCarson bringing special music. Reverend Frank Neville, pastor of the Westfield Baptist Church was chosen as "Pastor of the Year."

Our Prayer Retreat in March was the largest ever, with around 155 women in attendance at Mundo Vista. Mrs. Cleve Wilkie led us in this retreat, with special attention to our work in West Virginia.

In April, the highlight of our year's program, was the Annual Meeting at Swann Station. The Acteens and the G.A.'s and even Baptist Women carried the flags of the countries where we have mission work around the world. In fact, we had more flags to carry than we had room to line them up around the sanctuary, but it was a beautiful sight. Phyllis Thomas, our own missionary to Chile, inspired and challenged us with her message of sharing in the mission work in Chile.

A special word of commendation to Mrs. Eleanor Owen, Mrs. Sherrl Morris, Mrs. Evelyn Wilson and Mrs. Lorraine Veville for fine leadership and assistance.

W.M.U. continues to grow in the Association and we covet your prayers for this most important organization.

are preparing for a variety of vocations, for example: church-related vocations 665; teaching 1,314; medicine/nursing 1,329; law 961; social work 384. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

The business of Baptist colleges is the education of young people. This is the primary service provided by the colleges to the churches. The college presidents have asked that the churches — pastors and lay people alike — help them by pointing young people from the churches toward Baptist colleges. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively — sometimes more inexpensively, depending upon the aid available — as he or she can attend a state institution.

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

SUNDAY SCHOOL REPORT

The Associational VBS Clinic, with Frank Neville leading, was held May 4 with Buies Creek First Baptist Church. Twenty-one churches were represented with a total attendance of 82. Conferences were held for all age-group levels including Back-yard Bible Clubs. Frank Neville and 4 members of the Associational VBS Faculty attended the State VBS Clinic at Graham, N.C. March 5th.

Three of the Associational S.S. Leaders attended the State S.S. Area Training Clinic held in Fayetteville, January 12.

A conference for Sunday School Directors and Leaders was led by Colie Rock during the Key Leadership Conference held at Lillington Baptist on August 2. He also spoke to the Pastors' section of the Key Leadership Conference concerning S.S. development.

A two-night Sunday School Training Workshop with conferences for all age-group levels was held September 13-14 at the Lillington Baptist Church. There was a recorded attendance of 62 and 40 respectively. The S.S. Guiding Book series were used as texts.

Let us continue to work hard and encourage the Sunday Schools toward their goal of 8.5 in '85.

Respectfully submitted,
Colie E. Rock

CHURCH TRAINING REPORT

"M" Night was held November 23, 1981 with the Holly Springs Baptist Church with a total attendance of 325 — the best attendance for this event in several years. Ten churches were represented. The program for youth and adults featured the Children's Bible Drill by Mrs. Georgia Brown and Youth Bible Drill and Speakers' Tournament by George Magill. Following the theme

"Equipping for Church Growth" the inspirational message was brought by Phyllis Thomas, missionary to Chile. A program was held separately for pre-schoolers and for children.

Youth Night was held February 6, 1982 with Memorial Baptist Church with 205 attending from 16 of our churches. A program of drama skits, puppets, testimonies in song was presented by the Baptist Student Union of Campbell University.

Our Associational Youth Outdoor Rally was held August 7, 1982 at Campbell University's track field. Bob Talley, summer youth worker, directed recreational activities and led in devotional thoughts.

We are encouraged that Erwin First Baptist Church is organizing Church Training. Let me encourage the use of the many modules in the Associational office to involve more church members in Spiritual growth and training. Let me also challenge churches not having any training emphasis to prayerfully consider beginning Church Training work.

Brenda Burgess

CHRISTIAN LITERATURE REPORT

The ability to read is a great blessing for all of us. Our thinking, attitudes, and the direction of our lives are greatly influenced by what we read. The Southern Baptist Convention and the North Carolina Baptist State Convention provide, at a very reasonable cost, an abundance of literature which informs, guides, and encourages us in our Christian living.

The curriculum laboratory at Campbell University has samples of all the literature provided by the Southern Baptist Convention. You are welcome to visit the laboratory and examine the materials so that you can decide what to order to meet your particular needs.

The Biblical Recorder has been for 149 years the information publication for the Baptists of our state. The number of subscriptions increase each year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him is R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and as assistant editor of a third one. Various editorials have praised his ability and the quality of the *Recorder* should continue on the high level which has been the standard for many years.

If possible, provision should be made for every church family to receive this paper. It keeps us informed about Baptist work in North Carolina, the Southern Baptist Convention, and, in fact, all over the world.

Although the cost of production and mailing has increased tremendously, the *Recorder* is still a great bargain.

When people know the truth and keep informed as to what is being done at home and abroad, we have people who are willing to support all the work which Baptists undertake to do. We owe it to ourselves to be informed, and we can do so if we will make use of the abundant supply of Christian literature available to us.

AMERICAN BIBLE SOCIETY REPORT

Millions of people will recall 1981 as the year in which they were first introduced to God's Word — the year in which they discovered Jesus Christ — and for many of them the year in which they accepted Christ as their Lord and Savior. Bible Societies around the world distributed a total of 444,130,089 Bibles, Testaments, Portions and Selections in 1981. This represented a 0.9 percent increase over 1980's figures, and included more complete Bibles (10,441,456) than in any other year.

The goal of the American Bible Society is still the same as it was when it first began 166 years ago — the translation, publication and distribution of the Scriptures in the language of the people without doctrinal note or comment and without profit. As a vital Scripture resource agency to the Southern Baptist Convention, as well as to all other churches, the ABS will continue to work with the United Bible Societies around the world to provide Scriptures to more people than ever before in languages they can readily read and understand.

The United Bible Societies is now directly or indirectly involved in translation projects in over 600 languages around the world. There are more than 50 people employed by the UBS who serve as full-time consultants to churches, missions and national Bible Societies and assist in every phase of the translation task.

The American Bible Society thanks the Southern Baptist Convention in particular for its steady level of support. A total of $321,409.97, or approximately two cents per member, was given by Southern Baptists in the year 1981. This represents an increase of 9.5 percent over giving in 1980.

In recognition of the growing number of requests for Scriptures throughout the world, and the rapid increases in inflation, the American Bible Society asks that the Southern Baptist Convention not only continue, but increase its support of the Bible cause. This seems especially appropriate when considering the close and continuing relationship between the Southern Baptist Convention and the American Bible Society in the common purpose of Scripture translation and distribution.

Roger Johnson

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

During 1982 the Council on Christian Life and Public Affairs provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. Of special interest was the promotion of June as World Hunger month. In addition to free offering envelopes, the Council made available bulletin inserts, posters, and hunger bank labels to churches. Three regional hunger conferences, using the theme "What One Church Can Do," received wide attention.

In addition to four major conferences/retreats held at Caraway Conference Center, the department participated in several leadership training events across the state. Coordination between senior adult clubs in the state convention. As the number of older persons in North Carolina continues to rise, churches and associations are steadily increasing their various ministries through and with senior adults.

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to more than seven hundred contact persons in churches across the state. A Highlight of 1982 was the Statewide Christian Life Conference, which focused this year on the separation of church and state. Conference leaders included some of our country's leading figures in church-state issues such as Gene Puckett, James Dunn, Stan Hastey and John Swomley.

A wide variety of family life events was sponsored this year. Included were nine marriage enrichment retreats including one leadership training event and two clergy couples retreats; six family enrichment conferences; one singles seminar; a parenting workshop and a Strengthening Christian Families Leadership Workshop. Co-sponsored by the department were "Missionaries on Furlough" and "Senior Adult" marriage enrichment retreats, furnishing program leadership in three Better Homes Clubs, two seminars for ministers in the area of family ministry and clergy divorce, a Family Financial Planning Workshop and a retreat for pastor's wives also offered forums for assisting churches, associations and pastor's conferences in their crucial tasks of strengthening family life. Two conferences for pastor's wives were also underwritten.

ANNUITY BOARD REPORT - 1982

"Solid Growth and Expanding Achievements"

Key statistical highlights in 1981 included:

1. A 10 percent 13th Check was sent to annuitants who retired before 1980. Those annuitants who retired in 1980-81 received their 13th check bonus in their monthly checks.
2. A total of $24,298,521 was paid in retirement benefits.
3. Total assets administered by the board as of December 31, 1981 were $896,545,999 compared with $806,518,757 in December 31, 1980.
4. Relief funds from the Cooperative Program totaled $357,200.
5. Membership records indicated that 19,299 persons were enrolled in Plan A, 58,930 in Plan B and 4,193 in Plan C.
6. Premium income reached $72,854,632. Of this amount, $45,443,258 was designated for Fixed Fund and $10,294,788 for Plan A.

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981 North Carolina reported 1,032 upgrades!

In our Association 26 churches and 31 staff members are participating in the retirement program. Of this number 9 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

NORTH CAROLINA BAPTIST FOUNDATION, 1982

The North Carolina Baptist Foundation, chartered in 1920, promotes the making of gifts, receiving and managing of the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors which shall be any and all objects and causes of the "Missionary Baptist denomination."

Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities, and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine, churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the Foundation, all according to the instructions provided by the donors.

REPORT ON EVANGELISM - 1982

The most exciting and significant event in Baptist evangelism this year was the "Here's Hope" simultaneous revival crusade in the churches last March and April. Interpretation meetings, people-search efforts, and prayer meetings preceded the revival meetings. Figures to date indicate over 34,000 decisions with nearly 3,000 professions of faith, and these are incomplete.

"Here's Hope North Carolina" was the theme for the annual State Evangelism Conference last February, with more than 2,500 attending the sessions. On February 1st, the Rev. J. W. Hutchins, Jr., became the Director of the Division of Evangelism for N.C. Baptists. He has two able assistants in Richard W. Everett and Victor G. Cole. Baptists realize that we must accelerate and strengthen our efforts in evangelism.

The Evangelism Division of the Baptist State Convention is promoting three prime emphases next year. They are "Prayer for Spiritual Awakening," "Growing Evangelistic Churches," and "Partnership Revival Meetings."

The first two involve seminars that require from five to eight hours to accomplish. They can be held as in-church retreats on Friday night, Saturday morning and afternoon, or two hours each evening, Sunday through Wednesday. The purpose is to assist pastors in implementing a congregational prayer ministry and an evangelism strategy for perennial evangelism.

The Partnership Revival plan is for strong evangelistic churches to be paired with churches that have reported no baptisms and try to share some of the spirit and efforts that have succeeded in winning and baptizing the lost.

Our Association has lagged behind in evangelism. We need more churches, more evangelism efforts in the churches, and a greater use of lay persons in our efforts to win the lost.

Respectfully submitted,
Tom M. Freeman, Chairman of Evangelism

WORLD MISSION REPORT

During the year 1981, the Foreign Mission Board appointed 208 missionaries bringing the total number under appointment now to 3,136. One aim of Bold Missions is to have 5,000 missionaries on the field by the year 2,000. We are on target in this aim. In addition to those under appointment, 4,600 Southern Baptists served voluntarily overseas. There are 11,470 churches reporting a membership of 1,493,580 and 127,337 baptisms in 1981. There are 21 hospitals, 528 schools, 21 children's homes, and 24 publications centers. In 1981 the Foreign Mission Board received $44,713,596 through the Lottie Moon Christmas Offering, and $39,168,460 through the Cooperative Program. Adding to these figures other contributions the total of all contributions for 1981 was $95,480,007.

Although not without its problems, 1981 was a banner year for Southern Baptist home missions because churches responded to the pressing needs of our land. At the year's end, the Home Mission Board had 3,074 missionaries on the field and 274 support persons in Atlanta. More than 30,000 had volunteered to serve as temporary or part-time missionaries and over 450 new churches had been started. Through the Evangelism Support Department over 30,000 laypersons were involved in Life-Style Evangelism and Ministry through Lay Renewal Weekends. For the first time, two US-2 Evangelism workers are on the field.

In 1981, as of December 31, the Annie Armstrong Offering amounted to $18,539,913, an increase of 12.5% over 1980. Cooperative Program allocations was $16,441,512, an increase of 20% over 1980. In spite of these increases, we are not able to keep up with the spiral of inflation, thereby curtailing many needed ministries all across the board. However, home missionaries are working in all fifty states, the District of Columbia, Panama, Canada, American Somoa, and Puerto Rica.

Missions in North Carolina is reflected in many ways, but certainly a very vital way is through our support of the North Carolina Missions Offerings. As of December, 1981, $2,157,227 had been received through both designated and undesignated gifts, an increase from $2,088,336 in 1980. Our goal this year is $2,750,000. When you pray for and give to North Carolina Missions, you are supporting at least forty-five different ministries.

God still calls us to "Go into all the world and preach the Gospel to every one." John says that "if we say that we know Him, then we must obey His commandments." As we go - it is our responsibility to tell.

Vivian Simpson

COOPERATIVE PROGRAM - STEWARDSHIP REPORT

The Cooperative Program has been a household phrase for Southern Baptists since 1928. Since that time, there have been many supportive efforts designed to supplement the basic programs of Southern Baptists but none have ever been devised which could be considered any improvement over the Cooperative Program.

The Lottie Moon Christmas Offering has come to provide approximately one half of the Foreign Mission Board's budget, but the consistent Cooperative Program has been recognized by mission personnel as the very "life-line" of strong offering work together for Foreign Missions support. Now the Cooperative Program and the North Carolina Missions offering are joined in a newly emphasized support for missions in North Carolina.

During the past year (October 1, 1981 - September 30, 1982) the churches of Little River Baptist Association gave $210,725.74 through the Cooperative Program. This is an increase of $6,248.37 over the previous year. Last year our churches gave $33,566.58 for Associational Missions. This is an increase of $466.15 over the previous year.

Some goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. Every church in the association increasing the percentage of the total budget income for the support of Associational Missions.

MUSIC REPORT

The 1982-83 emphasis for Southern Baptist musicians is "Reaching People Through Instrumental Music." All of us are aware of the importance of our keyboard people in aiding the music program of the church. To be honest, our music program would really be in a sorry state without them. The theme above deals with these important instrumental people as well as other instruments in our churches.

What are some things that you can do to help your instrumentalist? For your keyboard people, you could have a special appreciation day, help provide music for them such as *Pedalpoint,* or help them be involved in training clinics where they are available. For your other instrumentalists, you can provide the opportunity for them to play during worship. Think about the purchase of handbells for your church and use them to praise God.

Yes, instrumental music is a big part of our work in the music programs of our church. As we go to continue this work, remember these verses in Psalm 150:

"Praise Him with the sound of the trumpet; praise Him with the psaltery and harp. Praise Him with the timbrel and dance; praise Him with stringed instruments and organs. Praise Him upon the loud cymbals; praise Him upon the high sounding cymbals. Let every thing that hath breath praise the Lord. Praise ye the Lord."

REPORT ON THE CHRISTIAN ACTION LEAGUE - 1982

The Christian Action League is an organization with trustees from some 18 denominations and from all the 100 counties in North Carolina. We have an Executive Director, Coy C. Privette, and an office in Raleigh. The League publishes a monthly paper entitled, TOMORROW, and is involved in programs all over the state of North Carolina.

Begun in the late 1930s to fight beverage alcohol, the League has broadened its programs to include the fight against all kinds of drugs, pornography, obscenity, gambling and other moral problems that challenge society. During this year we have been involved in the request that the President of the United States establish a Commission on Drunk Driving, and he has done so. We also asked our governor to establish a Governor's Task Force on Drunk Driving, and he has done so. We are encouraged by the public support of these initiatives.

We sponsored a statewide conference on obscenity in Greensboro last March 30th, when outstanding authorities from over the nation were brought in to help us explore ways to rid our state of the blight of obscenity. Of the 500 who attended, about 100 were law enforcement personnel and judges. We are also holding six regional conferences on obscenity in September and October.

We are still fighting beer, wine, liquor and liquor-by-the-drink. We have participated in 13 elections all over our state this year in which we were successful. We always keep abreast of developments in the State Legislature and will do so in 1983. Our principal support comes from churches and the Baptist State Convention, which gave us $22,000 this year. This is 19% of our budget. We need more churches to put the League into their budgets and send a monthly donation to the League's Raleigh office.

Respectfully submitted,
Tom M. Freeman,
President of the League

BUILDING & GROUNDS COMMITTEE REPORT

We began with a note of great loss to the Building and Grounds Committee of Mr. Truby Powell who died in December of 1981. He had served ably and well with the committee on many projects and will be badly missed.

Due to the appearance of leaks in the roof of the Associational Building it was determined, after a close inspection, that the roof needed replacing. We received estimates and finally had the job done in August, 1982.

We, of the Building and Grounds Committee, would like the Association to consider the following projects for the coming year:

1. Guttering for the home, replacement or repair
2. Improved parking area for Associational office
3. Landscaping lawn on River Road to include tile and storm drains
4. Parking for the Associational Director's home which faces River Road
5. Better visual markings for Associational Office

We have also discussed long range plans to enlarge the office section of the Associational building to provide better facilities for use by the Director, secretary, officers of the Association and ministers and churches of Little River Baptist Association.

Respectfully submitted,
Glenn E. Oliver, Chairman
Harrington Morrison
Patrick E. Quick, Sr.

LONG-RANGE PLANNING COMMITTEE REPORT

As an Association of churches our reason for existence is to be "salt" and "light" as we seek to present the claims of the Good News and as we become Good News to the people, agencies, and institutions of Harnett County. Christ is our example. Matthew records in his Gospel account:

> *Jesus went through all the towns and villages, teaching in their synagogues, preaching the Good News of the kingdom and healing every disease and sickness. When He saw the crowds, He had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then He said to His disciples, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."*

(Matthew 9:35-38, NIV)

Last year the Long-Range Planning Committee sought to identify the fields of harvest and this year has sought specific areas to call out laborers for the harvest. Committees were appointed to address the four priority areas of ministry adopted at last year's annual session.

PRIORITY I—The equipping of the Little River Baptist Association to be a Resource Center for its churches. The Chairman of this committee is Dr. Frank Neville. They make the following recommendations:

1. That the Association purchase both a copier and an electronic stencil maker during the associational year 1982-83.
2. That the following items be given priority for purchase over the next four years: overhead projector, carousel slide projector, film strip projector, tape recorder, addressograph, folding machine, and audio-visual equipment.

3. That a committee be appointed by the Moderator to study and make recommendations at the annual meeting in 1983 concerning office space. The present space is crowded and severely limited. Space is needed for separate offices, conference room, equipment and storage rooms. Consideration should be given to securing office space for the Association apart from the existing Director of Missions' home.

PRIORITY II - Discipleship Training. The Chairman of this Committee is the Rev. Jeff Roberts. Currently they are seeking areas of Discipleship Training and plan to initiate a major associational Discipleship Training emphasis this year.

PRIORITY III - Evangelism. The Rev. Tom Freeman is Chairman of this Committee and they make the following recommendations:

1. That under the leadership of the Missions Committee and Director of Missions, working with local churches, that our Association survey the Spring Lake-Anderson Creek area, and if actual needs warrant, as a preliminary survey already indicates, establish a week-day mission ministry.
2. That under the leadership of the Evangelism Committee and with cooperation from the churches of the Association, a county-wide Evangelistic Crusade be planned, and that it be conducted by an outstanding team of evangelists within the next two years. Let us remember that there are 22,000 unchurched people in Harnett County, of which 6,000 are reachable by our Baptist Churches.
3. That churches be encouraged to help members become bold in their Christian Witness. Lay-Witness Training and Evangelism Clinics need a priority in our Association.
4. That churches be encouraged to make a special effort to form creative and innovative approaches to ministry, aimed at the under 35 age group, which comprises 60% of the county's population.

PRIORITY IV - Social Action Ministry. The Chairman of this Committee is Mrs. Vivian Simpson. They have established four of the thirteen priorities of ministry which need to be addressed. Other areas will be addressed in subsequent years.

1. That the Acteens and Baptist Women's organizations of the Association be called upon to help with a Special Day for the Mentally Handicapped of the Little River Baptist Association and the eastern part of North Carolina, on April 23, 1983, at Campbell University. This event will be jointly sponsored by the Department of Special Ministries of the N.C. Baptist State Convention and Campbell University.
2. That a Literacy Workshop be held in March or April of 1983. There are over 700 people in our area who are classified as non-English speaking, as well as a large number of migrant people who pass through our area every summer. The Literacy Workshop will focus on training people to teach English on a one-on-one basis using the Laubach method. This will be useful for a migrant ministry.
3. That the names and addresses of international students continue to be secured and shared with the churches, and specific action in this area of ministry has been urged and will be encouraged.
4. That churches be continually made aware of the need for Foster Home Care. Information has been received from the Department of Social Services regarding foster care, and this information has been shared with

local churches. We are encouraging Christian families to become involved in helping with compassion the children and youth who need love and support during a very critical time of their lives.

Respectfully submitted,
John S. Rogers

HIRAM R. STARLING

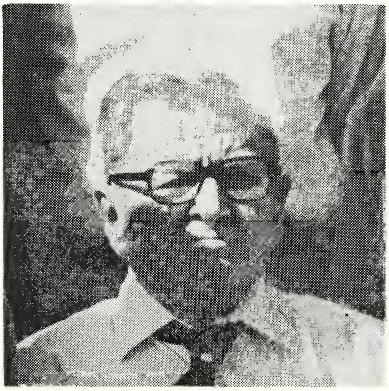
Hiram R. Starling was born on May 12, 1898 and died on May 29, 1983. He was the son of George W. and Mary Starling of Godwin, North Carolina. He was married to Denative Hawley on November 16, 1919. He and Denative had two sons, both of whom are deceased.

Hiram was converted to serve his Lord at age 13, at Antioch Baptist Church at Falcon, North Carolina. He was educated at Campbell University from 1933-35, Wake Forest University from 1935-38 where he received the B.A. degree. He did further study at Harvard University in 1943.

After completing his education, Hiram entered the United States Army where he served as a chaplain from 1943-47. From 1947-53, he served his Lord in the field at Clovis, New Mexico. Upon returning to North Carolina, Hiram became the Director of Missions in the Neuse Baptist Association. He served in that capacity until his retirement in October of 1964.

Hiram retired to Buies Creek, North Carolina where he continually helped apsiring young "preacher boys" as he and Denative called them. He continued to serve doing interim work and pulpit supply at various churches in the area. Hiram was a master clock builder and this hobby kept him occupied most of the time. Even in declining health he kept his wits and above all his love and untiring devotion to his Lord and Savior.

"And I heard a voice from heaven saying, "Write this: Blessed are the dead who die in the Lord henceforth." "Blessed indeed," says the Spirit, "that they may rest from their labors, for their deeds follow them!" Rev. 14:13.



1983 Minutes of The Little River Baptist Association

Dedicated in Honor of

DR. and MRS. CHARLES BARRETT HOWARD, SR.

Charles Barrett Howard, Sr. was born December 2, 1900, the youngest son of Henry Bizzell and Bettie Allen Cooper Howard of Salemburg, Sampson County, North Carolina. His parents died during his early childhood and he grew up in the home of his maternal grandparents.

His education began in the free school and male academy in Salemburg. He finished high school at Cary Boarding School where he lived in the home of an older brother, John Stewart Howard, the agriculture teacher. He attended A. & E. College in Raleigh (now N.C. State University) for a year, later transferring to Wake Forest University after he felt and answered the call to the gospel ministry. In 1922 he graduated *magna cum laude* from Wake Forest College. He later attended Southern Baptist Theological Seminary in Louisville, Kentucky and Southeastern Baptist Theological Seminary in Wake Forest, North Carolina.

Dr. Howard began preaching and serving churches as pastor as early as 1918. Some of the earliest pastorates were in Sampson County, his home county. After graduation from college there were calls to many other churches, most of which were in Wake and Franklin counties. He taught school, first in a two-room school known as Roberts School then he served as principal of two different consolidated high schools in Franklin County. In 1927 he turned more to full-time ministry and went to Southern Seminary to study.

During his summer break he held revivals and on June 6, 1928 in the Roseboro Baptist Church, during one of these revivals, he met Alma Dark who was a soloist in the church choir. After Alma's graduation from Meredith College on June 2, 1931 they were married in that church on June 24, 1931.

Dr. Howard continued to serve rural and small town churches in Franklin and Wake counties from 1931 to 1934. From 1934 until 1946 he was pastor of the Buies Creek Baptist Church and chaplain at Campbell College.From 1938 until 1959 he taught as the chairman of the Bible Department at Campbell. Throughout these years in Harnett County he was active in and supportive of the Little River Baptist Association.

In 1926, in a special effort to help needy dedicated young people in the churches that he served in Franklin and Wake counties to attend college, he, without realizing it, founded what has through the years been blessed by the Lord and developed into a far-reaching education fund. The years at Campbell intensified the awareness of the great need for such fund and efforts to enlarge it.

In 1954 this fund was incorporated and named the Howard Memorial Christian Education Fund, Inc. in honor of his parents. Through 1983 the fund has aided nearly 3,000 students in 50 states and 112 countries. This aid plus gifts and loans to many other Christian causes totals approximately $3 million. In addition to serving as pastor, teacher, and building an education fund, Dr. Howard has conducted numerous meetings and spoken for many conferences across the nation.

Since his retirement from teaching, traveling, and speaking, he and Alma, he as President and she as Executive Secretary-Treasurer have continued to develop and direct the activities of the Howard Fund from an office in their home in Buies Creek. In recent months they are being ably assisted by their son, Charles B. Howard, Jr. (Barry), who serves as Executive Vice President.

Born in Siler City, North Carolina on April 1, 1909, Alma and her parents, Josiah Samuel and Mary Emma Burns Dark moved to Sampson County near Clinton, North Carolina in 1917. In 1917 they moved to Roseboro, North Carolina where in 1921 Alma gradutaed from Roseboro High School. She attended Greensboro College, Mars Hill, and graduated from Meredith College in 1931.

After her marriage to Charles, Alma taught school for a short time, first in the Roseville Elementary School and later in the high school department of Campbell College teaching Bible and history. She was active in all phases of ministry in the churches where Dr. Howard was pastor. Her special interest was in the music and youth programs of the church. Later she became very involved in the Woman's Missionary Union. She was President of the W.M.U. at Buies Creek Baptist Church, Superintendent of the W.M.U. of the Little River Association and Superintendent of the W.M.U. of the Raleigh Division. For three years she served on the Executive Board of W.M.U. of North Carolina. She and Dr. Howard are not as active in their local church as when their health was more robust, however, their interest remains there and attendance is as regular as health permits. Work with the Howard Fund coninues for both of them from their office in the home.

God has blessed this couple with five children. One son died at birth and those living are Dorthy H. McDaniel, Buies Creek, Henry Bizzell Howard II, High Point, and Charles Barrett Howard, Jr. (Barry), Dunn, all in North Carolina. Mary Joe Howard of Auburn University, Alabama.

"The woods are lovely, dark and deep,
But I have promises to keep,
And miles to be before I sleep . . . ."

Long Range Planning Committee Report

The following recommendation of the Long Range Planning Committee was adopted in the 1982 annual session:

That a committee be appointed by the moderator to study and make recommendations at the annual meeting in 1983 concerning office space. The present space is crowded and severely limited. Space is needed for separate offices, conference room, equipment, and storage rooms. Consideration should be given to securing office space for the association apart from the existing Director of Missions' home.

The study committee appointed makes the following three-point recommendation:

1. That a parcel of land located on Old 421 behind Forest Hills Shopping Center consisting of one acre, more or less, with an appraised value of approximately $32,000 be accepted for the purpose of constructing an associational center.
2. That the present property located at 600 River Road be sold.
3. That the proceeds of the sale of the present property be used to construct the center. The center will provide approximately 1900 square feet of floor space for office, media center, conference center, work space, and equipment space. The center will provide adequate space to facilitate the activities of the Little River Baptist Association.

Leon Burgess, Chairman, Georgia Lee Brown,
Woodrow Neal, Floyd Glover, Glenn Oliver

Baptist Children's Homes of North Carolina, Incorporated

The Pembroke Family Services Center serves nine Southeastern counties: Robeson, Bladen, Sampson, Cumberland, Harnett, Hoke, Scotland, Richmond, and Columbus. The central office is located on the campus of Odum Home in Pembroke, North Carolina.

The Pembroke Area Family Services Center continues to serve the nine county area with quality care and a full staff of social workers, child care workers, and administrative personnel. The on-campus facilities offer residential group care, emergency care and co-planning to families. All other services offered by the Baptist Children's Homes may be accessed through this office.

Due to support of several local churches and groups, a complete woodshop is now available to be used by the children being served in group care and a ceramics shop is nearing completion. These facilities increase the opportunities that can be offered to the children in care.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need."

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

Executive Committee Report

This has been an important and decisive year for our association. Several actions were taken that have brought about increased involvement and interest in the work and ministries channeled through our association. The Executive Committee met in regular sessions January 24, April 25, and July 25 during 1983 at Buies Creek First Baptist Church.

1. Reports were given by organizational leaders, treasurer, committee chairman and our Director of Missions.
2. At the January meeting, Jeff Roberts, Chairman of the Anderson Creek Committee made the recommendation that the Little River Baptist Association enter into agreement with the Church Extension Department of the Baptist State Convention for the services of Earl Lamm (New Church Extension Consultant) to come to our association on a part-time basis for three months to lead in a survey of the Anderson Creek/Spring Lake areas to determine any needs for outreach ministry.
3. At the April meeting, Mr. Simpson presented a letter of resignation effective at the end of June to begin his retirement. A motion was made by Frank Neville, chairman of the Missions Committee that Rev. I.B. Laughrun be called as the Director of Missions of the Little River Baptist Association, effective July 1, 1983. The Missions Committee also recommended that the moderator appoint a committee to make plans for an installation service and reception for the Laughruns.

   The Missions Committee recommends that the special committee appointed by the moderator, study and make recommendations concerning office space at the annual session in 1983. This study to include the feasibility of keeping, selling, or renting the present property owned by the association. Also that the present budget adopted in the 1982 annual session of the association be amended to allow for a housing allowance.

   Motion was made and passed that the Andersons Creek Community Ministries be established as a ministry of Little River Baptist Association and that Earl Lamm be called as Director.

4. At the July meeting the following organization leaders were recommended by the Nominating Committee to serve for the coming year:

S.S. Director - Joe Dillon
Church Training Director - Brenda Burgess
W.M.U. Director - Vivian Simpson
Brotherhood - Glenn Godwin

These leaders were approved.

I would like to take this opportunity to thank the many people and committees who have cooperated this year to make possible the work and ministries of the Little River Baptist Association.

Frank E. Neville

North Carolina Baptist Homes, Inc.

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful.

One of the most significant blessings that we have received during the year has been a 31 percent increase in the percentage used for distribution of funds through Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50 percent of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Homes. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

Respectfully submitted,
William B. Stillerman

Baptist Hospital

Baptist Hospital has celebrated its 60th anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronar;y arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's emergency department as a Level I trauma center which indicates that the department offers all major services for serious injuries 24-hours a day, seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who has been with the department for 10 years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs 3,500 persons and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a four percent room rate increase during the past year..

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

W.M.U. Annual Report

Woman's Missionary Union of Little River Baptist Association began the 1982-1983 with the emphasis of "Life Changing Accountability." For three years we had emphasized the need to change our life styles in order to give more of ourselves and of our means in and through missions. Now we faced the challenge of giving an account of ourselves, our time and our means. With this in mind, we have tried to lead the women of the mission organizations in the churches to a deeper commitment in mission education and mission involvement during the 1982-1983 church year.

In September of 1982, associational officers led conferences for church W.M.U. officers and leaders at Coats, with 125 women in attendance. To further train women for mission involvement, a

Literacy Workshop was held in May with Mrs. Mary Allred of Nashville, Tennessee, as leader. Thirteen persons were certified as teachers of the Laubach method of teaching non-readers. As a result of this effort, a Harnett County Literacy Association has been formed and around 35 volunteers are enrolled as tutors or volunteer aides for the Adult Education Program at C.C.T.C. This past week, Mrs. Flora O'Quinn of the Lillington Baptist Church, was recognized for the over 25 hours of volunteer work she has already done as a volunteer tutor.

Baptist Women, under the direction of Mrs. Brenda Chatham, sponsored two events this year. In February one of our happiest occasions, the Pastor Appreciation Banquet, was attend by 96 pastors and wives, and W.M.U. Directors and husbands. The surprise of the evening was the announcement that the associational missionary, Henry Simpson, had been chosen as the "pastor of the year" and received the red rose bud, and words of appreciation for his support of W.M.U. work in the association.

The Prayer Retreat, held this year in June, was another outstanding event. Led by Mrs. Donise Harrod of High Point, 163 women from 18 churches enjoyed a spiritual journey in the beautiful conference center at Caraway. The 1984 Prayer Retreat will be held in June, and again at Caraway.

Baptist Young Women's work continues to be one of our struggling organizations, and one which is so important. Patsy Powell, of the North Clinton Avenue Baptist Church, promoted an associational banquet for this group, which was well attended. Miss Pat Ritchie of the State W.M.U. office was the guest speaker.

Eleanor Owen continues to lead the Acteen organization in a fine way. An overnight retreat was held for the associational acteens, and was well attended. The Acteen Activators from the Hilmon Grove Baptist Church were asked to be a part of the program of the State Acteen Convention at Ridgecrest, and led a conference at that meeting on Activator program.

Mission Action projects during the year were helping again with the Christmas gifts of the women in the Women's Correctional Center in Raleigh, and this year year we sponsored a "Spring Fling" for the mentally handicapped people of Eastern North Carolina. This event, held at Campbell, brought between 150 and 175 participants to an all-day activity. A "Fall Fling" is being planned for November 5.

Women and church mission organizations continue to be involved in the Anderson Creek ministries. Acteen groups and other groups have helped this past summer with Big A clubs and Vacation Bible Schools.

Mrs. Sheryl Morris assisted several churches in G.A. recognition services and planned a Puppet Workshop, led by a Puppet Team from Snyder Memorial Baptist Church, Fayetteville, which had 50 G.A.s and leaders in attendance.

Always the highlight of our year's work is the annual meeting. This past spring we met at the Broadway Baptist Church with Mrs. Sylvia Wellmon, wife of the missionary in residence at Campbell University, as our guest speaker. Sylvia challenged us not only to be witnesses in our lives and manner of living day-by-day, but to be witnesses in one-on-one encounters with those around us who are unsaved.

With 29 church letters in at the time of the writing of this report, we have 103 mission organizations and 1,639 members. We are hoping that the final report will show a gain in organizations and in membership. We urge you to make this year one of prayer and ministry; of outreach and growth; of learning and doing; so that we can truly say that we are missionary Baptist churches, with a full program of mission education being offered to every member of every church in Little River Baptist Association.

Respectfully submitted,
Vivian Simpson, W.M.U. Director

The Director of Missions Report

On July 1, 1983 your Director of Missions began a new era in the pilgrimage of a God called ministry. The opportunity of ministry is overwhelming and apart from the leadership of the Holy Spirit doomed to failure. Pray that God will lead in all that we do.

The association has a multi-facet ministry. The associational office is a place where pastors and church leaders can talk about needs - personal and churchwide. Together we look for solutions, and churches are helped more often than they know through the association.

Community Ministries in Anderson Creek is a giant step forward in missions advancement. Much has been done and much more to be done. Migrant ministry, ministry to college students, handicapped ministry, and prison ministry are but a few of the additional areas of ministry in our association. May we seek God's leadership in these areas.

We envision that more and more the association office will become a resource center for our churches. As we acquire more space and additional equipment we anticipate greater use by the pastors and churches.

Associational sponsorship of training and promotional programs is essential to the life and growth of the churches. Seminars, workshops, and conferences are planned to benefit the churches and assist the pastors and other church officers in their leadership role.

Churches face a time of potential crisis following the departure of a pastor. In such times the association stands ready to be of assistance through counseling, resumes, and personal contact.

This is a time of transition in our association - a time of inevitable change. May we look to the new year with confidence and commitment. To God we confirm anew our devotion to be at our best in His service.

I.B. Laughrun, Jr., Director of Missions

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts and your prayers.

Christian Literature Report

People who are informed are responsible people. If they are informed about needs, they will more readily respond to meet those needs. The Southern Baptist Convention and the North Carolina State Baptist Convention provide literature which informs, guides and challenges us in our Christian living.

The curriculum laboratory at Campbell University has samples of all the literature published by the Southern Baptist Convention. You are welcome to visit the laboratory and examine these materials so that you can decide what materials you can order to fulfill your particular needs.

The *Biblical Recorder* is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the *Recorder* is the fourth oldest among the 34 Baptist papers in the Southern Baptist Convention, exceeded in age only by the Georgia, Kentucky and Virginia papers.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of the *Recorder*. Economy of production and increased space by approximately 50 percent were the deciding factors. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the added amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the *Recorder* approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the *Recorder* are grateful for the opportunity to have this ministry among North Carolina Baptists. We invite your news items, letters to the editor and items of general interest to all North Carolina Baptists. Most of all, the staff requests your prayer support and faithful reading of the *Biblical Recorder*, one of the largest and most influential Baptist papers in the history of Baptists in the United States.

We are going to read something. Let us obtain and read that which will enlighten, inspire, inform, and challenge us each day in our Christian living.

American Bible Society Report

Through the ministry of the American Bible Society and the Bible Societies with which it is associated, men, women and children in record numbers and in over 150 nations and territories are receiving the Scriptures that often lead to personal encounters with the living Christ. A total of 484,633,537 Bibles, Testaments, Portions and selections were distributed in 1982, a 9.1 percent increase over the prior year.

Time and space will not permit us to report on *all* the work of the American Bible Society, so let's look at two or three areas. In Africa, a great progress in Scripture translation is being made. In Nigeria, a new translation of the whole Bible is being prepared for the Igbo people, one of the three major ethnic groups there. The first translation of the whole Bible into Edo is also in draft form at this time. In appreciation of one such translation one man was heard to say "Now God Is talking to me in my own language."

In Brazil, over 6 million Scriptures have been distributed for adult new readers. Using these scriptures, the Brazilian literacy movement has in the past 11 years taught more than 13 million men and women to read.

Over the past 10 years, the churches and Bible Societies in Poland, Hungary, Romania, and East Germany have been provided with nearly one million tons of Bible printing paper by the United Bible Societies. Because of our assistance and that of the Bible Societies, our colleagues were able to distribute 100,046 Bibles, 37,150 New Testaments, and 39,425 Portions in 1982.

Let's see how we have helped at home. Millions of men, women, and children in the United States -- patients in hospitals, members of the armed forces, people in Christian congregations and schools, even visitors to the Southern Baptist Pavilion, and other exhibits at the World's Fair in Knoxville, Tennessee -- received Scriptures supplied by the American Baptist Society. An important milestone was reached in 1982 when the American Bible Society distributed its 100 millionth complete Bible since its founding in 1816.

The work is not finished. Scripture shortages are growing worldwide. Many people may still have to go without the comfort and guidance of God's word in the coming year. In 1982, Southern Baptist Convention provided $324,610 for this global mission, or not quite three cents per member. Let's be sure this vital work is scheduled in our church budgets each year. I challenge all of us to pray for and give to the American Bible Society.

Council on Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1982. The Council made available bulletin inserts, posters, world hunger calendars, and hunger bank labels in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The Legislative Information Network has continued to provide reports on the work of the state's General Assembly to 800 contact persons in churches across North Carolina. Members of the L.I.N. have been especially involved with two major issues: drunk driving and the state lottery. Baptists were instrumental in securing passage of the Safe Roads Act, a tough and comprehensive package of legislation aimed at curbing drunk driving in North Carolina. Not only did Baptists call and write their legislators, but members of the L.I.N. attended committee and subcommittee meetings at the General Assembly and communicated directly with senators and representatives at crucial points during the bill's consideration. The new law, which goes into effect in October, promises to aid in the crackdown on drunken drivers. As is always the case, however, the final version of the law was not as strong as many had wished. The L.I.N. will monitor the implementation of the Safe Roads Act to see if further changes need to be made in the law. Baptists also played an important part in defeating a proposed state lottery. Based primarily on an anticipated revenue shortage, the state lottery was suggested as a way for the state to make money off its people's urge to gamble. The bill was defeated in the Senate, but the state lottery is an idea certain to surface in future years, especially when financial times are tough. Other legislation covered by the L.I.N. included a package of bills to provide alternatives to prison as a form of punishment, a resolution supporting a freeze in nuclear weapons, proposals to protect the state's residents from hazardous wastes, and a bill to make it a crime to hold someone in slavery in North Carolina.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide variety of family events was sponsored this year. Included were eight marriage enrichment retreats, including one leadership training event; one clergy couples' marriage enrichment retreat and for the first time a pre-marital retreat; nine family enrichment conferences; six singles seminars and a single adult leadership conference; three parenting workshops and a Strengthening Christian Families leadership workshop. Co-sponsored by the department were a chaplain's wives retreat; "Senior Adult" marriage enrichment and singles retreats in addition to sharing leadership in a holy land trip for senior adults. Program leadership was furnished in two Better Homes Clubs. For the first time, a domestic violence seminar was offered at the state level. Also, a Divorce Adjustment Workshop was held. Consultations by the director, assisting churches, associations and pastors' conferences in their crucial task of strengthening family life were offered. Two conferences for pastors' wives were underwritten. Family life revivals were led in two churches.

A new pamphlet, "Senior Adults and Families, was added to the Growing Christian Families series.

DEPARTMENT OF AGING

The department continued to expand its ministry to senior adults through new events and services. Five leadership workshops were conducted across the state, in addition to four major conferences/retreats held at Caraway Conference Center. Additionally, two new retreats - one for singles and the other for retired couples, were added. A senior adult tour of Egypt and the Holy Land was conducted and a statewide senior adult rally attracted a large and enthusiastic audience. Coordination between senior adult leaders and opportunities for training was provided through *Contact,* a newsletter/training resource furnished by the department to all senior adult clubs in the state convention.

Baptist Foundation Report

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of the last fiscal year totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

Report on Evangelism 1983

The program of evangelism of North Carolina Baptists has been enlarged and strengthened during 1983. The State Evangelism Conference last February in Ovens Auditorium in Charlotte drew a large and enthusiastic crowd.

Growing Evangelistic Churches in North Carolina, a five-hour seminar, was inaugurated this year. It was taught in 10 associations, involving 300 churches and more than 600 pastors.

Continuing Witness Training was begun in 1983 with 89 pastors, laypersons and seminary students being certified in three national seminars. Three student evangelism teams led revivals in 27 churches in two states during the summer.

Dr. Jimmy Draper, President of the Southern Baptist Convention, was the key speaker in three Youth Evangelism Conferences with several hundred youths responding to the challenge of Christ in these meetings.

Disciple Youth was the theme of this year's conference for youth evangelism at the Baptist Assembly at Caswell. Over 900 youth and adult participants attended and 251 decisions for Christ were made.

The weakest link in our program of evangelism is still the local church. Many of the churches reported few baptisms and some of them reported none. But it is in the local church that we have our best opportunity to reach the hundreds of thousands of lost people in North Carolina. Pastors and lay leaders must become much more concerned and busy about evangelism if we are to reach our Bold Mission Thrust objectives.

World Mission Report

Southern Baptists are a missionary people. God has indeed placed the world in our hearts and with it a sense of urgency for the remaining years of this century. From our own recent beginning in the Anderson Creek area to emerging new nations in central and South Africa, we, along with thousands of other Southern Baptists are seeking to bring the word of God as revealed in the Gospel of the Lord Jesus Christ to every person on the face of the earth by the year 2000, and even beyond.

The Home Mission Board functions in a dual capacity to meet Bold Mission goals in our own country. As a direct missions agency, it has a mission personnel of 3,430 in all 50 states, American Samoa, Puerto Rico, the American Virgin Islands and Canada. As a resource agency, it provides information which enables local Baptists to better perform hand-on mission work. The Board staff holds conferences, seminars and workshops to train lay persons, ministers and missionaries, and leads in planning missionary strategy.

The Missions Section of the Home Mission Board saw the beginning of 1,180 new churches and missions in 1982. Church Extension Director, Jack Redford, says "starting new churches to win, minister to, and support persons who have been won to the Lord must be the cutting edge."

In addition, the home missionaries under direct appointment had as their support personnel, 40,226 volunteers in areas of special service. Also, 1,568 chaplains were placed in the military, in industries, hospitals, and institutions.

As of December 31, the Annie Armstrong offering amounted to $20,709,206 and during the fiscal year, the Southern Baptist Convention Executive Committee allocated $17,634,029 of Cooperative Program money to work of the Home Mission Board.

Equally as exciting is the report from the Foreign Mission Board. During 1982, 3,217 missionaries worked in 96 countries (as of now we have entered 101), with 1.5 million Baptist members in 27,000 local churches and/or missions and with 10,000 local pastors.

Churches overseas baptized 140,844 persons and church membership grew by 74,500 and church giving went over the 65.8 million mark.

Four hundred six missionaries were appointed in 1982, a 2.58 increase. However, to keep up with the Bold Mission Thrust goal of 5,000 missionaries overseas by the year 2000, a three percent annual increase in personnel gain is necessary.

During 1982, Southern Baptist channeled $110.2 million through the Foreign Mission Board. Of this, 41.8 was given through the Cooperative Program and 46.5 through the Lottie Moon Christmas Offering. Beyond this, the churches gave $5.9 million through the Board for the human need ministries of disaster relief and for developing projects focused on alleviating the root of hunger.

Approximately 170 medical missionaries alongside growing national staffs ministered to 143,000 inpatients, and 1.4 million outpatients in 20 hospitals and 114 clinics furing 1982.

At the end of 1982, the Foreign Mission Board receiving more than 800 requests for qualified career and associate missionaries needed in 1983. In response to these needs and requests, the Foreign Mission Board is constructing the Baker James and Eloise Cauthen Missionary Learning Center, located at Rockville, Virginia, some 22 miles from Richmond, Virginia. This Center is being designed to equip and enable new missionaries to achieve maximum effectiveness on the field.

In the 223 nations on earth today, 32.6 percent of the world's 4.5 billion people are Christians. The total Christian community is adding new believers at a rate of 23 million a year. This is about like adding to all the churches worldwide abcut as many people as live in the state of California. Good, but not good enough in view of the fact that Christian churches must grow by about 45 million persons every year between now and A.D. 2000 just to stay at the 33 percent level!

When missionaries plead for more personnel reinforcements, and document what more they could be involved in if both funds and people were available, their message is clear; present Bold Mission Thrust levels of work are not bold enough.

Vivian Simpson

Cooperative Program Report

Southern Baptists have the most efficient and fair system of managing the various missions monies that are entrusted from the churches! We have come to know it as *The Cooperative Program*, and we have come to understand its functions as its name implies -- it is indeed a Cooperative venture when representatives of the various missions ministries get together to budget the expected funds from the various churches.

But the cooperation does not stop there nor does it begin there. We have come to feel this program as having its birth in the mind of God and its maintenance is yet there for as new missions needs arise -- as they do -- there is "movement" among the established recipients to allow for another "slice of the pie." As God leads, Southern Baptists respond!

However, we must understand the the *Cooperative Program* is merely the vehicle through which we express our stewardship. Churches are called to be good, gracious, generous stewards, just as individual Christians are called. We are called to "be faithful" -- "faithful" as we support our associational causes, "faithful" as we pay attention to our Convention causes at the state and S.B.C. levels. The Cooperative Program and the association function according to the faithfulness of the local congregation.

We urge pastors and other church leaders to emphasize "generosity and "growth" -- two good words -- in leading our people to be gracious as God has "graced" us. Let's make "bold commitments" and trust God to take care of us.

Respectively submitted,
Jeff Roberts

Music Report

The emphasis of the denominational music program for the past year has been "Reaching People Through Instrumental Music." It is still encouraging to see churches use instruments more and more in their services. This includes instruments of all kinds: keyboard, handbells, band, etc. The emphasis for the past year has helped us to see that their are many ways to praise and worship our Lord through music. It has also helped us to realize the talent that is available in our churches. It gives us the opportunity to use more people in our music programs and helps us to realize the importance of those that we already have playing the instruments for us. I hope that you will continue to use instruments and the talents of people in this special way throughout the coming year.

It is a pleasure to report that music programs continue to grow across the state and our convention. As we become more aware of the talents of people and the use of music to help these people share Christ through music, I believe that music will continue to grow in Southern Baptist life. I would encourage all members of our association to support the music programs of their churches through prayer and participation.

The denominational theme for the music program in 1983-84 is "Reaching Youth Through Music." The objective of this theme is to "lead youth to become more meaningfully involved in worship, missions, and Christian stewardship through music." The youth programs of our church are many times directly related to the Youth Choir. Therefore, the music of youth and the way that we use it can be a very important factor in the youth program of the church. Youth music in the church can be a very challenging and sometimes difficult area, but it is an area that will draw the young people to the church.

What are some of the things that you can do to encourage the use of your youth choir in the church? Here is a partial list of some things:

1. Have youth PraiseFest to encourage more use of the Youth Choir throughout the year. A PraiseFest is a youth-led worship service with much music that will draw peoples attention to the Youth Choir and Youth programs of the church.
2. Participate in a Youth Talent Survey to seek out your talented youth so that you can use them in a special way.
3. Have a special Youth Music Enrollment campaign.

4. Have a Worship/Praise Awareness retreat for the youth.
5. Plan for and begin using Youth Music interns. This is a program to involve youth in the practice of Music Ministry.
6. Plan and undertake a Youth Music Celebration Service.

These are just a few suggestions to use with the Youth of your church and your music program in the coming year.

Finally, I know that we have many small churches in our association. One of the biggest things that we can do musically in our association is to share with each other. We can share music. We can share knowledge. And, we can share with each other. I would encourage choirs and their directors to be willing to sing for other churches when the opportunity comes up. I would also encourage churches to share music with other churches and to work with each other in exchanges of knowledge by inviting other choir directors in nearby churches to lead short workshops or courses for your members.

As we work together with each other to "Reach People Through Music," we will feel the fellowship and blessing of our Lord Jesus Christ in His service.

N. Ray Phillips,
Associational Music Director

Memorials

My Brethren and Sisters:

It is most proper that we as Christians pause in solemn reflection in memory of those who have passed through the portals of death to that land from which no traveler returns. Who knows that before our next gathering, the grim reaper shall knock at our door saying, "This day thy soul is required of thee?" It is well that we take this moment to make sure that those who have once labored with us shall not be forgotten in this fast moving world. However, tributes to the deceased are useful only as lectures to the living for their record is complete and we cannot add to or detract therefrom.

In death we recognize a great sameness, the great leveller bringing with it pangs of sorrow and separation. It is a repetition of the age-old story of graves and sorrow, as aged as time, as universal as humanity. In each case there comes a memory of the chamber of peace, the creped door, a new-made grave, the deposit in the bosom of the earth and the return to the broken home. However, just as the grave could not hold our Lord in darkness, it does not hold our own. We are not left without hope, for we believe that for each believer there awaits as Easter Morning!

To think of our departed is to be reminded of our own demise. As we think upon our own days it may be that there are some areas that need further refinement and deeper commitments to the work of our Lord. We can best honor the memory of our departed by entering fully into their labors, to continue what they have thus far advanced. We can hallow this moment by pleding undeviating loyalty to the cause of Christ to which so many have given devotion. Let us so dedicate ourselves at this altar of memory that it can be said of us, "He hath done what he could." Thus, we shall erect our own memorials.

Report on the Christian Action League 1983

The Christian Action League is the organization through which Baptists join with other denominations to exert our influence on the many social and moral issues that damage our people. Begun in the late 1930s to fight beverage alcohol, the League has broadened its program to include the fight against all drugs, obscenity, pornography, gambling, abortion and other moral and social problems. During the year we have been very busy.

THE SAFE ROAD ACT of 1983 is the result of the efforts of many groups in our state. The League petitioned the Governor to name a Task Force on Drunk Driving, which he did. After public hearing all over the state, the Task Force presented its recommendations to the Legislature. Despite the oppostion of the powerful and rich liquor-beer-restaurant lobby, the Safe Roads Act was passed, and already there is evidence that it is working.

THE STATE LOTTERY: An attempt was made to drive through the Legislature a bill to legalize a state-operated lottery that would put North Carolina in the gambling business. The need for more revenue and the opposition to more taxes were the points made by its sponsors. The League offered strong opposition to this and through citizen support of the Governor, who strongly opposed it, the lottery proposal failed.

During the past 12 months the League has offered help to 18 town and counties in elections on liquor-by-the drink, ABC stores, beer and wine sales. In 16 of these the pro-alcohol forces have been defeated. We have also had additional conferences on obscenity and have used our influence to see that laws on pornography are enforced. Our Executive Director has been busy, traveling all over North Carolina in his work for the League.

We are thankful for all that the churches and people of the Little River Baptist Association have done to help in this vital work. The cause of decency, morality and civic righteousness requires our constant vigilance and support. We urge churches to place the League in their budgets and send in monthly contributions for this year-around ministry.

Respectfully submitted,
Tom M. Freeman,
President of the League

Community Ministries of Anderson Creek

The Little River Baptist Association in the annual meeting in 1982 voted to do a survey to determine needs in Anderson Creek township. A Steering Committee was appointed to lead in this survey. This committee requested the assistance of the Church Extension Department of the Baptist State Convention of North Carolina.

In February 1983 Rev. Earl Lamm, Church Planter Consultant with the Church Extension Department, came to the association for a three-month period. During this time a community survey was conducted with the assistance of the churches in the association. Bethel Baptist served as a focal point with a large group of Bethel people assisting in the survey.

The Steering Committee studied the results of the survey and recommended to the Executive Committee in the April meeting that Community Ministries be established as of May 1, 1983. Rev. Lamm was asked to remain in the association as Director of Community Ministries and continue with church extension as a part-time consultant.

An office was donated for use and Community Ministries opened the office May 1, 1983. The churches of the association participated in a special offering to assist the work. Clothing was donated by individuals and churches and a clothes closet was opened. In September a food distribution center was opened and membership in the Federal Food Bank approved.

Rev. Lamm conducts Home Bible Study Groups. Counsels on many areas of need and acts as a referral to Social Assistance Agencies. During the summer of 1983 eight weeks of Bible School was conducted in the area. Several churches, two summer workers, and local adults conducted the V.B.S.'s. As a result 300 students were enrolled and many families were made aware of the new Baptist work in Anderson Creek.

The Home Bible Fellowship Groups will be organized into a mission October 1, 1983. The hope is that property and facilities will be acquired during the next year.

Respectfully submitted,
Earl Lamm

3. The chairman of the committee will put in the hands of the candidate in advance of the meeting, a listing of the areas of questioning to be followed by the committee.

4. When the candidate has satisfactorily responded to the reasonable questioning of the committee, the committee will notify the church requesting ordination, by letter, after reasonable period of time, stating the findings of the committee.

5. The Associational Ordination Committee will help, at the request of the ordaining church, in planning for the Ordination Service and they will make every effort to attend the service and participate. Executive Committee Report

This has been a year of expansion and growth for our association. Several actions were taken that have brought about increased involvement and interest in the work and ministries channeled through our association. The Executive Committee met in regular sessions on January 30, April 30, and July 30 at Buies Creek First Baptist Church.

1. Reports were given by organizational leaders, treasurer, committee chairpersons, and our Director of Missions.

2. At the January meeting a proposal was brought by the Steering Committee of Anderson Creek Community Ministries that a $66,000 project be approved for building a building on land donated by the Overhill Development Corporation Board of Directors under a lease agreement. After much discussion this proposal was referred back to the Steering Committee for more information on financial plan and building and other possible alternative plans.
3. At the April meeting, Jeff Roberts presented a proposal that the Little River Baptist Association relinquish its control of the Anderson Creek Community Mission to be supported by one or more churches of the Little River Baptist Association; that the association continue the financial support of the Mission at its present level through the fiscal year 1984 and that the association encourage the pastors of all Little River Baptist Association churches to assist the sponsoring churches in fund raising and continued personal and program support. This proposal was adopted.

   A recommendation was passed that the Little River Baptist Association participate and encourage the churches to participate in a Sunday School Enlargement Campaign to be held in the spring of 1985. Also passed was a recommendation that the Little River Baptist Association participate in the "Good News America" simultaneous revivals in the spring of 1986.

   The following organizational leaders were recommended by the Nominating Committee to serve for the associational year 1984-85.

   Sunday School Director - Robert Tyson
   Church Training Director - Jo Lee
   WMU Director - Brenda Chatham
   Brotherhood
4. At the July meeting it was announced that Lillington Baptist Church, Antioch Baptist Church, and Hillmon Grove would be the sponsoring churches of the Anderson Creek Community Missions.

   The proposed associational budget for 1984-85 to be adopted at the annual meeting was discussed at length.

I would like to take this opportunity to thank the many people and committees who have cooperated this year to make possible the work and ministries of the Little River Baptist Association. The associational house has been sold and plans are being drawn for the Little River Associational Center. We are excited over the prospects of having such a building. It will greatly enhance our association.

Respectfully submitted,
Frank E. Neville, Moderator

Director of Missions Report

Isn't it great to be a part of the Lord's work in the Little River Baptist Association? I am truly thankful that God has led me to be a part of His work here.

The first first full year as your Director of Missions has been a challenge and a blessing. The sale of the house and the prospects of having a Little River Baptist Center in the very near future is very exciting. We should be awarding the contract to build the center in the near future. We appreciate those who have made this possible, especially Mr. Eldon Sloan who worked so diligently to sell the house. The Building Committee is hard at work finalizing the plans and preparing for construction.

As we visited and preached in the churches this past year you have been most receptive. You have made Lena and I feel that we are a real part of your work, and we thank you for that. We look forward to getting to know all of you better.

There has been real progress in securing ACTS on Univision. With the continued dedication and leadership of Rev. Bill Stillerman and Mr. Todd Scarborough we will be on the air soon. It will be a vital ministry to be able to offer our people alternate wholesome television viewing. Watch for ACTS to appear soon.

Lillington Baptist, Antioch, and Hillmon Grove are now sponsoring the Community Mission in the Anderson Creek area. Be much in prayer that this mission will develop into a strong church in the ministry of our Lord.

Activity in the associational office has increased as we continue to serve our churches. The acquisition of an electric stencil maker and a new copier enables us to better serve the needs of our churches. This has enabled us to improve the newsletter, however, we welcome your suggestions as to greater improvement. We are working in the single room office at the old River Road address while we build. Please be patient with us in these cramped facilities.

The week in September spent in the Basic Leadership Seminar at the Home Mission Board in Atlanta was a real blessing. To be able to meet the people at the Home Mission Board and discuss the various associational programs was both informative and challenging.

Our Sunday School Enlargement Campaign is underway and to date 19 of our churches are committed to participate. This is a wonderful response and as we move toward the climax on March 9, 1985 I am sure that the excitement will grow. This will be a great time together as we strive to increase our Sunday School enrollment that we may reach more people for Jesus Christ. We appreciate the efforts of Rev. Robert Tyson, our new Sunday School director, and all others who are working to make this campaign a success.

As we look back over the past year we realize that you, the people of our churches, are the association. What has been accomplished has been due to your efforts and dedication. Whatever that may be accomplished in the year to come will depend on you. My prayer for the coming year is that each of us will look around and see the fields "white with harvest" and be laborers together as we reap this harvest. Thank you for the opportunity to be your Director of Missions.

Church Music

It would be hard for us as Christians, I think, to overemphasize the importance of our Church Music programs. From its chief purpose of praise to and communion with God, to other functions such as setting the mood for other parts of the service, music is important in our churches and worship experiences. It is our aim to help every church in Little River Baptist Association to grow and develop its individual music ministry. In addition, we are actively working on a music program at the associational level.

On August 20, a Key Leadership Conference was held for all choir directors and music ministers in the association. The interaction and sharing of ideas were a benefit to all who attended. Significantly, an associational music council was appointed. This group will help plan and guide associational music programs for 1984-85. They are: Sue Burgess, Ronald Byrd, Anita Dillon, Richard Sistrunk, Algene Yeatman, Laurie Stamp, Venessa Wade.

Among the projects which are now underway under the umbrella of associational music is the establishment of an associational chorale. This group plans to meet regularly, have specific members, and sing some classic choral literature.

In 1985 the music council also hopes to begin a music resource file to be contributed to and used by all Little River churches, and possibly sponsor an associational anthem reading clinic. All of these efforts are designed for growth and fellowship among the church music programs of our association.

As for the denominational emphases in 1984-85, it is "Reaching People Through Congregational Music." Is there a more important area of the church music program? I don't think so. If we are indeed worship participants - not spectators - in the church service, then singing is probably the most active and visible form of our worship. Too many people are prone to do what W.J. Reynolds calls "holy mumbling" when it comes time to sing.

I encouarge all of our churches to work on the development and improvement of congregational singing. Consider these points:

- Is the entire congregation participating?
- Are you "singing with understanding" the texts?
- How many hymns in your hymnal does the congregation actually know and sing?
- Are you singing the hymns with musical accuracy?

All of these points are important to good congregational singing. Use them as a guide and standard with which to measure the congregational hymn singing experience in your church. Good help is available to us at the state and associational levels.

In 1984-85, let us commit to making our church music ministries the best they can be, for the worship and glory of God, the edification and development of the believer, and the evangelism of the non-believer.

Sunday School Report

The associational VBS Clinic, with Colie Rock leading, was held May 10, 1984 with Buies Creek First Baptist Church. Fourteen churches were represented with a total attendance of 75. Conferences were held for all age-group levels. Colie Rock and five members of the ASSISTeam attended the State VBS Clinic at Wilson Baptist Church on February 23, 1984.

Three members, including the associational Sunday School director, attended the State Sunday School Training Clinic at Sanford Baptist Church on February 3, 1984.

A two-night Sunday School Training "Send I You" workshop was held by the ASSISTeam with conferences for all age-group levels on September 10-11 at the Lillington Baptist Church. There were 17 churches represented with 55 in attendance. Due to inclement weather, the second night of the training was cancelled.

A Sunday School Enlargement Campaign had its kick-off banquet at Campbell on October 11, with 19 churches and over 100 people in attendance. Robert Stewart was the guest speaker and encouraged all churches to participate.

Brotherhood Report

Partners in Wholeness, the NC/Togo Partnership, is well into the first of its 3½ years. Begun with the vote of the Baptist State Convention last November, the Partnership involves North Carolina Baptists, the Foreign Mission Board, Baptist missionaries in Togo, and the Togolese Baptist Association.

Togo is a small country on the coast of West Africa, located next to Ghana and near Nigeria. It is fairly typical of countries in the Third World, those developing countries where there is much poverty and many needs.

The Partnership is located in the Upper Ogou Region of Togo. This is a very poor area, where life expectancy is only 38 years and 50% of the children die before they reach the age of six.

Several factors contribute to this situation. Water is a major problem. Women, whose responsibility it is to obtain water, often must walk many miles to a well or stream. Sadly, even that water is usually contaminated with parasites. During the dry season, which lasts for six months, water may not be available for crops or animals. Water problems are compounded by poor nutrition. While adequate quantities of food may be available, the traditional Togolese diet is very high in starch and low in protein.

All of this is made even worse by the lack of basic health information or simple medical care. Common childhood diseases, which would be easily thrown off by most American children, can be fatal in Togo. Many of these diseases, like measles, could be prevented by inoculations, if only they were available. Poor health information leads to more deaths. For example, the traditional "cure" for childhood diarrhea is to *withhold* fluids. This seemingly logical response, of course, speeds dehydration and hastens death.

The Upper Ogou is also an area with deep spiritual needs. The primary religion is animism or fetishism, the traditional worship of many spirits. Until last fall, the only other Christian work in the region was at two small Catholic missions. Even the Moslems, strong in many parts of Africa, have only one small mosque in the area. Last fall, Baptist missionaries and Togolese Baptist preachers led an evangelistic crusade in which nearly 400 were saved and six preaching stations were established. In an area in which the primary religion is based on fear, the good news of Christ, with its message of hope and joy, is falling on fertile ground.

The Partnership seeks to address these many needs. Central to the project is a Community Learning Center, now being built at the village of Moretan. This center will consist of a classroom, eating facilities, and several traditional Togolese huts, built of mud bricks with thatched roofs. The huts will have small, though significant, improvements. For example, the windows will be screened. John Moore, former director of missions in the South Roanoke Association, is serving, with his wife Julia, as the host for North Carolina volunteers in Lome, the capital city. He reported what happened at the partnership site when some of the first local people saw the window screens. "They had never seen screens," he wrote, "but recognized immediately what they were for, and expressed amazement that now one could have the breeze blow through the house without the flies."

The Community Learning Center, when completed, will be a site to which people from nearby villages can come to learn better nutrition, improved agricultural techniques (such as crop rotation), simple health education, and others ways to improve their lives and health. It will also be a place where the Togolese can experience the love of God as it is expressed in word and in deed by North Carolina volunteers and others working there.

Other parts of the Partnership are addressing other needs. The boys at Camp Caraway this summer gave their offerings to provide inoculations for Togolese children. Volunteers will go to give those shots. The Foreign Mission Board has bought a well drilling rig and plans to drill deep wells in many villages. Volunteers will operate the rig and teach the Togolese to use it. Plans are being drawn to build a bridge across the Mono River, which cuts Upper Ogou off from the rest of Togo during the rainy season. Volunteers have worked to plan the bridge and will help to build it. Literacy training will enable the people to help themselves and will open the Bible to them. Volunteers will go as literacy teachers.

Currently, construction is well under way on the Community Learning Center. Six huts have been completed and four more are under construction. Two missionary families, who will continue to live in Moretan, have moved to that area. A home for one family has been completed; a second is under way.

At the time of this writing (September 5), 26 North Carolina Baptists have been to Togo as volunteers. They are:

You can have a part in the Partnership. During the next three years, we will be looking for nearly 300 volunteers. You may be one of the ones we need. If you are not able to go, you may be able to give. The Hunger Relief Fund of the Foreign Mission Board pays for the hunger-related parts of the project. The NC/Togo Partnership Fund of the Baptist State Convention assists volunteers who are unable to pay all of their own expenses and finances part of the administrative and promotional costs. While some can go as volunteers and many can help financially, all can undergird the Partnership through prayer. Please pray for career missionaries in Togo, for North Carolina volunteers, for the new Togolese Baptists, for the people of Upper Ogou, and for all in North Carolina who work to make the Partnership possible. Indeed, we *are* co-laborers with Christ, partners in bringing wholeness to the people of Togo, ministering in the name of the One who seeks to make each of us whole.

World Missions Report

Southern Baptists are moving into the future of world missions with daring and boldness. Through Bold Mission Thrust, begun by Southern Baptists in 1976 in Norfolk, Virginia, we have moved into even greater involvement in world missions as we reach out in ever widening circles of concern to touch hurting and lost humanity.

In other reports as this annual session of the Little River Baptist Association, you will hear of our involvement in local missions through the ministries now developed in the Anderson Creek area. As reports are given from State Baptist institutions and agencies we will be reminded of our responsibilities to the seven different areas of ministry and missions supported through the North Carolina Missions Offering. This report will give you an update on Home Missions and Foreign Missions.

Over the years the Home Mission Board has developed from an agency whose single task was direct missions - hiring and placing missionaries on the field - to an organization with a manifold purpose: continuing direct missions while helping all units of Southern Baptist life also "do" missions. Strategies have been developed linking each division of work of the Home Mission Board with comparable divisions or units of work in each state convention.

The Evangelism Division, for example assisted 33 state conventions in planning, promoting and evaluating evangelism efforts - whether revivals, or training workers for director evangelism. Sixteen U.S. 2ers were assigned to assist state workers in youth evangelism, and the Mission Service Corps assigned 1,011 volunteers with 522 currently serving on the field. Three hundred fifty-nine Southern Baptist chaplains were endorsed to serve in the military, hospitals, or institutional/industrial settings.

Church Extension appointed 85 church planters and 1,400 church-type missions were begun. Home Mission Board now works in all 50 states, and Puerto Rico, American Samoa, and Canada with 3,700 missionaries. Three hundred staff and support personnel worked in the home office at Atlanta, Georgia. Last year 46,000 special workers were placed on mission fields and more than 1,300 language missionaries minister to 84 of the 200 language culture groups in America.

These ministries and many others call for our continued support of our Cooperative Program giving and our special offerings through the Annie Armstrong Offering for Home Missions.

Around the world we can count Southern Baptist missionaries serving in 102 countries. Today 3,300 missionaries work with 13,586 churches overseas. These churches reported a record number of baptisms last year - 146,149 - showing a 3.77% increase over 1982, and which number is one baptism for every 11 church members. Church membership has now reached 1.7 million.

During 1983 more than 4,700 men and women participated in volunteer missions overseas. Through 21 hospitals and 113 clinics, Southern Baptists are healing the diseases and caring for the sick and suffering of people around the world. Through 17.5 million periodicals, books and tracts published in the 27 Baptist publication centers, the story is being told to countless millions of people. Last year more than 300,000 people were enrolled in correspondence courses.

There is a growing indication that Southern Baptists are taking seriously their prayer responsibility for missions. Last year more than 150,000 Southern Baptists asked for prayer commitment cards and prayer pins. Even with high inflation, 1983 was a good financial year. Southern Baptists supported our world mission program in 1983 with $48,745,954 given through the Cooperative Program, $54 million received through the Lottie Moon Christmas Offering and over $6 million received for hunger relief.

The global challenge for the years remaining in this century is almost beyond comprehenson. It underscores the priorities of God's Kingdom as God's people do missions in the midst of political tensions, natural disasters and economic uncertainties. We are in 102 countries of the world, God has opened these doors, but we must be ready to commit resources to enter these doors.

Four major concerns for world missions are:

1. Winning the world's cities
2. Concentrating on establishing churches
3. Accelerating training for/by missionaries and national leaders
4. Building relationships which intensify cooperation and partnership in missions.

During this next week, on October 10, the new Baker James Cauthen and Eloise Glass Cauthen Missionary Learning Center will be dedicated. It is our prayer that from this Center will go countless number of missionaries whom God has called out to be his apostles to a lost world. God has placed the world in our hearts. God has given us a responsive, dangerous, opportune moment in history. God is loving us to love a lost world. We must get on with doing missions, the greatest task God ever entrusted to human beings.

Report of Woman's Missionary Union

The watchword for the year 1983-1984, "Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have," (Col. 4:2,5), became the catalyst for Woman's Missionary Union with the emphasis on "Partnership in Prayer and Ministry." Women and girls of the 35 churches of the Little River Association were challenged to reach out in their own communities, in the state, and around world to undergird and strengthen mission education and mission outreach.

Knowing that trained women carry on a more effective ministry, training was done through the Leadership Conference in September with 130 officers and leaders of 17 churches in attendance. Training was done through the teaching of the foreign and home mission studies in the churches by several of the associational directors. Training in prayer was most effectively carried out by Miss Martha Franks as she led the 155 women from the churches of the association at our prayer retreat at Caraway.

Training and ministry was done by Acteens through Big-A Clubs and Backyard Bible Clubs held in the Anderson Creek area by Mrs. Eleanor Owen, and training was done by Mrs. Sheryl Morris with GA International Banquet emphasizing foreign missions.

Church and women participated in ministry, under the direction of Mrs. Harriet Carter, associational Mission Action Director. One hundred sixty dollars was sent to the state WMU to help buy Christmas gifts for the women incarcerated in the North Carolina Correctional Center. Money that had been received to help underwrite the college expenses for a student from Ghana (who was not able to come) was divided between the Anderson Creek ministries, and a fund to help foreign students already here in Campbell who were having difficulty getting their money from their own country.

The Literacy Council, which was begun because of the Woman's Missionary Union interest in helping those who are functionally illiterate to learn how to read and write, continues to a viable organization, reaching out to those who they can find who need their help. Health kits were provided again for the migrants.

The annual meeting of the Woman's Missionary Union, held at the Coats Baptist Church, was the highlight of the year's activities. With Miss Alma Hunt, past executive secretary of WMU, SBC, as guest speaker, those in attendance were challenged and thrilled with her presentation of her experiences in the work of WMU around the world.

Election of officers at that meeting has brought Mrs. Brenda Chatham, a member of the Kennebec Baptist Church, as director of WMU for the association. We look forward to good years in WMU under her leadership.

As the year 1984-1985 unfolds with the emphasis on "Come Grow With Us," we challenge the churches of Little River Association to take seriously the responsibility of mission education for their women, men, boys and girls. May God bless your every effort toward this end.

Respectfully submitted,
Vivian Simposn, WMU Director

North Carolina Baptist Homes Report

The Baptist Retirement Homes of North Carolina are experiencing a process of change they have gone through only once before in their 33-year history, the retirement of the chief administrator. The departure of Bill Poole on October 31, 1984, marks the close of an era of more than 24 years of compassionate, dedicated service by one who loves older persons and has given himself in ministry to them. His ministry has made a positive imprint on untold numbers of persons. A Trustee Search Committee is organized and busy with its task of finding a new president of the Homes. Jack Hoyle has been appointed the interim director.

There are many positive and good things happening with the Homes, and we keep these in mind daily as some challenges and problems are faced. One hundred forty-four persons are receiving quality care in the five Retirement Homes; 72 patients are provided excellent care in the Nursing Care Unit; and 24 persons enjoy independent living in the apartments at Hayes Home. A stable and dedicated staff provide the care these 240 persons need on a 24-hour basis. Many of our Baptist people across the state are concerned about, involved in, and supportive of the many ministries provided by the Homes.

Respectfully submitted,
William B. Stillerman

Cooperative Program Report

Imagine, if you will, that the blood that courses through your body should be diluted in its properties or, worse, should be stopped in some way. We all know that physical life with such a deficiency would be severely weakened or would stop completely.

The Cooperative Program of church finance is related to the missionary work of Southern Baptists as the blood is to the physical body. As it increases, so does the vitality and the strength of the hundreds of missions causes which our denomination has felt led of the Holy Spirit to attempt for our Savior. Contrarily, if these monies are diminished the work must be cut back.

Little River Baptist churches during the 1982-83 church year gave $236,112 to the Cooperative Program. The total of all undesignated gifts for 1982-83 was $1,961,199. This means that we gave 12% of our undesignated monies for this lifeline. However, when we consider that the total gifts during that year was $2,534,731, the percentage to the Cooperative Program deserves to be higher. Let's be generous as we seek to prove to the people who are "doing missions" in our behalf that we are adequately "holding the ropes." We encourage every church to increase its percentage giving to the Cooperative Program, as we continue our support for other missions causes as well.

Respectfully submitted,
Jeff Roberts

Baptist Hospital Report

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as example of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertibral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that, in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling as its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

I regret to report that only one church, Gourd Springs, contributed to the Baptist Benevolent Fund for the Baptist Hospital during 1983-84.

Respectfully submitted,
W. Donald Moore, M.D.

Council on Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1983. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were five associational or churchwide Family Enrichment Conferences; six marriage enrichment retreats in addition to sponsoring the annual three-day clergy couples MER Retreat in January and the four-day Leadership Training MER; two areawide single adult seminars, a church single adult event, and preaching at a single adult Sunday observance; spoke at two Better Homes Clubs and two church night family emphases on topics such as "Domestic Violence, " "The Family Coping with Suicide and Depression." The director received training at Ridgecrest in the new Family Ministry Parenting Enrichment model "Parenting by Grace" and led two four-day "field tests" in two churches. This model will be available next year for the final "Strengthening the Family" emphasis on parenting. A Christian Family Lifestyle workshop, "Opening the Windows of the Family on the World" was available in four sites over the state.

Leadership was offered at four Director's of Missions Regional Planning meetings in the new *Family Ministry Associational Programs;* two *Strengthen the Family Leadership Workshops;* one Pastor's Conference; the *Bi-Vocational Minister's Conference* at Caraway; the *Fall Festival of Marriage* at Ridgecrest and chaired the Family Ministry Section of the two-day Director's of Missions - Home Mission Study.

Two Family Life Conference presentations on marriage and parenting were videotaped for use by the churches of the convention through the Communications Department.

Consultations by the director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

DEPARTMENT OF AGING

The department continued to expand its ministry with senior adults across the state. Twelve senior adult leadership workshops were conducted with more than 500 persons in attendance from 180 different churches representing 42 associations. In addition, five conferences/retreats were held at Caraway Conference Center with close to 800 persons participating. The department cooperated with the Christian Family Life Department in several family life conferences with sections for senior adults. Several "You and Your Aging Parent" seminars were conducted. The mailing list for *Contact*, a newsletter containing information for senior adult clubs in the state convention was greatly expanded. Senior adult ministries continue to grow rapidly in North Carolina Baptist churches and a new emphasis on the associational model for senior adult ministries has emerged this year.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of Christian Citizenship Education has centered on two types of activities: voter participation and legislative information. Voter registration and turnout remain low. In the May primaries, for example, only about a third of the North Carolinians of voting age went to the polls. This department has encouraged Baptists to register and to vote by making available a bulletin insert, used in more than 300 churches, which supplied necessary information and encouraged participation. The Legislative Information Network has continued to provide reports on the work of the General Assembly to about 800 contact persons in churches throughout the state. The legislature met briefly in early March to redraw several of the state's legislative districts in ways that provide fairer representation to some of the state's minorities. In the summer, the General Assembly convened for its regular short session, at which time the budget was fine-tuned for the '84-'85 fiscal year. A significant part of the money allocated during the short session went for education, primarily as salary raises for teachers and other personnel. A Moral Concerns Rally in the South Roanoke Association helped alert Baptists to the growing menace of legalized gambling.

World hunger continued to be a matter of concern to many Baptists. Once again June was designated as World Hunger Month in North Carolina. The council made available bulletin inserts, posters, hunger banks, placemats, giving guides, and pamphlets, in addition to world hunger offering envelopes. North Carolina Baptists' response to hunger took on two new forms this year. First, the NC/Togo Partnership channeled some of our financial contributions and the efforts of a host of volunteers into an exciting missions effort to help some who are hungry and thirsty in the small West African country of Togo. This Partnership will continue for another 2½ years. Second, the NC Hunger Fund began to give assistance to churches and associations combating hunger here at home. Already this money has been used in exciting and worthwhile ministries, helping, for example, to provide hot meals for the elderly in Belhaven and to make food available to migrants in rural parts of Wake County. North Carolina Baptists, like those across the Southern Baptist Convention, continue to give increasingly large amounts to help the hungry, but so much remains to be done. While our giving in 1983 was the highest ever (and is running even higher thus far in 1984), the average Southern Baptist's gift was less than 75 cents for the entire year.

Baptist Foundation Report

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of of Baptist work through a perpetual trust. Each of us wishes we *could* continue our witness forever. We know that we *should* plan for such continuing witness. And now each of us *can* participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year - forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gifts was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E.T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptist of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts - income which is all paid out to Baptist causes or annuitants - was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work - forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

American Bible Society Report

How much does your Bible mean to you? How would you feel if you didn't have one? One Sunday, following a morning worship service in Tanzania a member of a translation team was stopped by a young man who said sadly, "You have a Bible, but I haven't." The translator tried to encourage him by saying "The pastor read the text very clearly today so you could follow him, although you have no Bible." "Yes," he said, "but what about at home?" "I would like read the Bible for myself, now that I know how to read. Listening is good, but looking at the words give me a better chance to understand." The translator had no more words to say to him.

We cannot overemphasize the tremendous work of the American Bible Society's efforts to translate God's word into languages and dialects so everybody can read and understand. We are humble by their faithfulness in spite of difficulties and setbacks. For example, one translator in Burma suffered a loss of his Halum translation of both the Old and New Testaments in a tragic fire. Although heartbroken over such a loss, he wrote the American Bible Society he was convinced "that we cannot afford to be without a Bible." With that great faith he moved forward to translate again. The story ends with a Hallelujah. His typist, who was away for two months, and during the fire, returned and reported having saved all "original manuscripts!"

Let's consider the enormous, widespread distribution of Bibles, portions and selections to the countries of the world. For example, the largest-ever scripture distribution in Guana took place when the American Bible Society shared 230,000 assorted selections with the people in that country. The Bible is now regarded as the standard textbook for religious instruction in Uganda. As a result, there is a great demand for the Good News Bible.

This spring, tornadoes in North and South Carolina left people homeless with millions in property damage, and many churches responded. The Salvation Army distributed 700 ABS Bibles and 6,000 scripture selections, the South Carolina Baptist Convention, 3,500 ABS New Testaments and 5,000 selections, and the North Carolina Baptist Convention 2,000 New Testaments and 5,000 selections.

There are two ways we can support the entire work of the American Bible Society. First, we should pray daily for this vital work. As we meet today, the ABS has asked for prayer that new doors will be opened in Honduras; for active volunteers who are so faithful to the task. Pray for the spread of the scriptures in Nicaragua, and thank God for His protection of the Bible Society staff in El Salvador. Second, we can support the ABS financially by putting this cause in our church budgets.

Pembroke Area Family Services Center Report

Odum Home has experienced some very positive program growth with the addition of two positions that will greatly enhance our work with hurting children and their families. These are an education coordinator and a recreation coordinator. The positions are filled by two qualified people who have already extended the scope of what we are able to offer.

We are in the process of renovating the main building at Odum Home to give us a greater office space and a small area to accommodate overnight guests. We will have a combination library/resource room which will house material for both children and staff as well as the computers that are used for small group meetings such as a parenting support groups and communication workshops.

Odum Home is the site of a pilot project that will link the geographic areas of the Baptist Children's Homes by computer. This system will allow office automation, telecommunications and electronic filing to create a more efficient operation.

We continue to praise the Lord for the faithfulness of the Baptists of North Carolina who have supported this child care ministry for almost 100 years with their prayers, concern, understanding and financial resources.

Christian Action League

We rejoice in victories that God has given us in the past year and recognize our dependency upon him for the challenges in the coming year.

I. UNIFORM DRINKING AGE OF 21: The Federal Government has enacted legislation that results in states losing federal highway funds if age 21 is not established as a minimum drinking age for all alcoholic beverages. The NC General Assembly did not raise our state's drinking age to 21. States that have gone to age 21 have experienced a 28% reduction in teenage fatalities in alcohol-related crashes. So, what we could not accomplish with our own legislators, the League joined with our counterparts in other states and launched a campaign in the US Congress which was successful. It is apparent now that the 1985 legislature will raise the drinking age to 21 because of the projected loss from $15 to $30 million in federal highway funds.

II. LOTTERY: Thanks to your help the General Assembly defeated by a narrow margin legislation that would have put the state into the gambling business. However, the pro-gambling industry has targeted North Carolina as a key state for another effort in 1985. Now is the time to get commitments from the candidates to the 1985 General Assembly to oppose such legislation.

III. PORNOGRAPHY: North Carolina has become the nation's "smut" capital with more sex outlets (x-rated theaters, etc.) per capita than any other state. Now, we are being told that only the states of New York and California exceed North Carolina in the availability and distribution of child pornography.

Some local communities have been able to close down some x-rated theaters. Contact the Christian Action League, P.O. Box 2126, Raleigh, NC 27608, if we can assist you in dealing with the pornography questions in your community.

IV. BEER, WINE, AND LIQUOR ELECTIONS: We consider it a privilege to have been able to assist several areas in defeating referendums in the past year. The alcohol industry was defeated in campaigns conducted in Nash, Edgecombe, Scotland and Chatham counties. The communities of White Lake, Clarkton and Mocksville, were also victorious in similar votes. However, one of the key victories was in the Avery County town of Elk Park where beer sales were abolished. This ought to encourage other areas to follow their leadership.

CONCLUSION: Through your prayers and financial support, you have made it possible for the League to be able to have a BOLD witness in the BOLD MISSION that you have given us. As we approach a new year, need we be reminded: ALL THAT IS NECESSARY FOR EVIL TO FLOURISH IS FOR GOOD PEOPLE TO DO NOTHING.

Christian Literature Report

Jesus said, "You shall know the truth, and the truth shall make you free." One of the ways Christian people can know the truth and be informed about the work, plans, and goals of our denomination is to read the available literature which is provided for us. The Southern Baptist Convention and the North Carolina State Baptist Convention make this literature available and all we have to do is to get it and use it.

One of the best ways to find out what is available is to visit the curriculum laboratory at Campbell University where samples of the literature published by the Southern Baptist Convention are available. We are welcome to visit the laboratory and examine these materials we can order to fulfill our particular needs.

The Biblical Recorder is a "must" if we want to know about the activities and work in our own state convention.

History was made last year when the *Biblical Recorder*, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the *Recorder* moved into its own building, becoming the fourth state paper to have its own building.

In February 1912, the *Recorder* moved into its own building in the heart of Raleigh. In July 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the *Recorder* is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the *Biblical Recorder* is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the *Recorder* is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The *Biblical Recorder* does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful *Recorder* reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the *Biblical Recorder* the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

To keep informed, guided, and challenged in our Christian work, we need to read all we can of the Christian literature available to us.

Roger Johnson

Christian Higher Education

YOUR NORTH CAROLINA BAPTIST COLLEGES

Campbell - Chowan - Gardner-Webb - Mars Hill - Meredith - Wake Forest - Wingate

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as *a place for study; a place for growing in spiritual and intellectual maturity;* and *a place where life continues and futures are shaped.*

That same report says Baptist colleges are *worth what they cost* because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist colleges has prospered in North Carolina because of the prayers and gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts and your prayers.

Woodrow Neal

Report of Youth and Campus Ministries

Four Caswell Weeks, with the theme "Run in the Son," involved over 3,500 young people. Special conferences for youth ministers and the beginning of a coordinated Convention youth calendar are other projects undertaken in 1983-84 by Rick Traylor. A drama conference, youth council retreats, resources for local ministry, and specific consultation with several associations are other emphases within the total scope of Youth Ministries. Our job in this way is to help the churches do their work more effectively.

In Campus Ministry you as North Carolina Baptists expect us to minister on your behalf *and* to serve as consultants with some of those who work with students from within the local church. Baptist Student Union can be found on campuses from Cullowhee to Murfreesboro, in residential settings like Appalachian or Duke or Gardner-Webb and in commuter institutions such as Wilkes and Central Piedmont and Davidson Community College. These students raised more than $40,000 for missions, learned and practiced evangelism and personal witnessing, worshipped, studied the Bible, found ways of serving others in churches or communities and disciplined themselves toward growth as Christians in their spiritual, social and intellectual lives.

Joe Clontz is beginning in July 1984, his work as coordinator of volunteer ministries on campuses in the Central area of North Carolina. Geneva Metzger will spend 1984-85 in Japan, learning to work more effectively with students from a local church perspective and to serve and understand Internationals. Joe David Fore will sharpen his skills in Biblical studies, ministry with engaged couples and enabling of volunteers before he assumes the position of facilitator of ministry in the western area in June of 1985. Sheree Smith and Wanda Kidd will serve as interim campus ministers at UNC-G and WCU respectively. Seminary interns at ECU, UNC-CH and ASU will major in outreach and increase the depth of our ongoing programming. All these persons will need your prayer in a special way in the fall of 1984.

A Student Convention at Ridgecrest in late September will focus on our Christian family and emphasize missions. A special conference for International students is scheduled for Charlotte in November. Hundreds of students from a score of campuses will go into churches for youth revivals or special churchwide programs. NC students will be part of a major Missions Conference in Nashville in late December. Perhaps the most important dimension of our work in Christ's name and on your behalf, however, are the day-to-day conversations and regular programs on a local level which emphasize prayer, churchmanship, ethical decision-making, world issues in Christian perspective, personal stewardship or commitment and life-planning.

As we, employees of your General Board or the Baptist campuses, consult with Sunday School teachers, lead worship, train student leaders and bear witness to God's life-changing power and love in Jesus Christ, we give thanks for your support through the Cooperative Program and in other significant ways. May God continue to bless us together.

Division of Youth and Campus Ministries

Memorial Report

A memorial is a call to remembrance, of persons or events. Throughout God's word man is called to remember the names of Abraham, Issac and Jacob and therefore their works. The Passover is an act of remembrance, so is the Lord's Supper. So we take this moment in reverent memory of those who have during the past associational year, passed from this life. Though the phrase, "Gone but not forgotten," may be etched on many stones, it is first etched in all human hearts. One of the concerns of death is that we may be forgotten. So it is both fitting and proper that we pause to honor the memory of our departed brothers and sisters.

But just as memorial services are mainly for the living, so should be this memorial. We are reminded in the words of the Psalmist how short our time is. We recall the words of our departed, that their labors are left to our hands. It is here that we should commit ourselves to their unfinished work and do so with urgency, "For the night cometh when no man can work."

Let it be solemnly recognized that each name listed represents a brother or sister whose presence we miss and whose memory we cherish. Let us re-affirm our faith that life survives death and that we shall meet in a new and abiding association of the saints.

A. Lincoln Faulk

1984-1985 Executive Committee Report

This has been another landmark year for our Association. The Association has gone forward in a number of ways and we thank God for His blessings. The Executive Committee met in regular sessions on January 28, April 29, and July 29 at Buies Creek First Baptist.

I. Reports were given by organizational leaders, Treasurer, committee chairpersons and the Director of Missions.

II. At the January meeting upon recommendation of the Building Committee the Association voted to award the contract to build our Associational Center to J.E. Womble & Sons for $63,150.00.

III. At the April meeting the Building Committee reported on the progress of the Little River Baptist Associational Center. A job description for the office secretary was approved. The Nominating Committee presented the following nominations:

Sunday School Director - Rev. Robert Tyson
Church Training Director - Mrs. Jo Lee
W.M.U. Director - Virginia Currin
Brotherhood Director - Floyd Glover

All were elected without opposition.

IV. At the July meeting the proposed budget for 1985-1986 was discussed at length. The Association voted not to employ a temporary secretary during the time our regular secretary was receiving sick leave pay.

This year has been an enriching experience for me and I appreciate all who have worked to make it a success.

Director of Missions Report

As another associational year draws to a close, we pause to reflect on the past year and to look to the new year. We are thankful that the Lord has blessed us in so many ways.

Our Sunday School Enlargement Campaign was a great success as 43 percent of our churches participated - this was a record in our state. Thank you to all who took part.

A record number of our people attended the Southern Baptist Convention in Dallas. Some disturbing events took place, however, let us all be in prayer for the "Peace Committee," that through God's leadership peace may be brought to our Convention. Plan now to attend the Convention in Atlanta next year.

A new Executive Secretary was elected to serve the Baptist State Convention of North Carolina. Dr. Roy Smith was no stranger to most of us. He is performing admirably as we know he would. Pray that God will lead him as he leads North Carolina Baptists.

A long awaited dream for many in our association materialized when we moved into our new Little River Baptist Center. It is a beautiful and functional Center. When landscaped it will be a beautiful landmark symbolizing the Little River Baptist Association as it moves forward for Christ.

Other activities included our Children's and Youth Bible Drill in which our association drew the attention of fellow Baptists across the state. Our Key Leadership Conference with the emphasis on our upcoming "Good News America" evangelistic crusade got us off to a good start in that direction. The one night Sunday School Workers Conference proved to be a good change with 70 in attendance.

However, we cannot rest on past accomplishments - the new year lies ahead. We need to get off to a fast start to keep pace with what God would have us do. Let each of us become excited and involved in our "Good News America" evangelistic crusade scheduled to begin March 9, 1986. Our ASSISTeam with some new members will be training to assist our churches in Sunday School. We will be using our center more for fellowships. Our Youth and Senior Citizens will be encouraged to become more active. Also we welcome your suggestions and participation in new activities this year.

It is a God given privilege to serve and work with you. Thank you to all who have worked this year and are committed to work next year. May God bless each and everyone working to His glory in our association.

Church Music

The ministry of music is a vital part of our church programs, as we seek to be and do the work of Christ wherever we are. Indeed, church music stands along with Sunday School, Church Training, W.M.U., and Brotherhood as one of the building blocks of a strong church. Our associational music program exists for the betterment of the church music ministries in our churches. This is our chief purpose as we look toward 1985 - 1986.

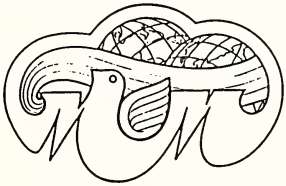
Associational music projects for the past year included the establishment of an associational chorale. This was not to be a group which got together only for special meetings and occasions, but rather a real live, on-going, regular-monthly-rehearsed choir which would provide fellowship and musical opportunities perhaps not available in our individual local church situations. The effort was somewhat successful, with the group having a final enrollment of 31 and 10 churches represented. Two performances were given -- the 1984 Annual Meeting and a spring concert at Memorial Church.

The 1985 - 1986 associational music year has already begun. Much of our energies and programs this year will be geared toward and in conjunction with the "Good News America" Revivals for 1986. There will be special training opportunities, special music, and special emphases which will all be important for the church music director in his/her planning for "Good News America, God Loves You."

Though the simultaneous revival campaign will encompass the bulk of our efforts this year, we are also considering other activities and programs which would benefit church music in Little River Association. Finalization of these plans and intentions will take place at the all-important Associational Music Directors' Conference, to be held Saturday, November 2, 9:00 a.m., at the Associational Center.

At the denominational level, the Church Music Department of the Southern Baptist Convention has launched a campaign entitled "Musicians on Mission" which is to continue through 1990. "Musicians on Mission" is an effort to involve Southern Baptist musicians more actively in Bold Mission Thrust. In other words, the use of our church music ministries not just for the benefit of "our" own church, but to allow them to reach out beyond the four walls to which they are so accustomed, carrying the Gospel.

For 1985-1986, the theme is "Musicians on Mission - That All May Hear." Note the unique logo:



What are some tings that your church music ministry can do this year to become Musicians on Mission?

- Increase you music ministry enrollment by 5 percent.
- Participate in "Reaching People" projects.
- Identify, support, and train individuals of your church who are called to the church music ministry.
- Conduct music missions projects and report them to the associational and state music officers.

Whew! There's plenty to do for the Kingdom's sake this year -- and that's great. It is my prayer that the associational music programs will not become "something extra" that we feel obligated to do, but rather will be a support system that is enjoyable and helpful to the work of each individual church. May God richly bless your 1985-1986 church music ministry.

1984-1985 Associational Sunday School Report

The year 1984-1985 has been a great year for the Sunday School. For the first time in the life of our association, it has participated in a Sunday School Enlargement/Improvement Campaign. And did we participate! Fourty-six percent of our churches were able to take advantage of this unique and God-given opportunity. At the time of this writing final totals for total Sunday School growth are not in. Yet every participating church has said their Sunday School has grown either in number and/or quality. This is great. Since the Sunday School is God's tool for outreach and Bible Study, let's pray He will continue to bless it.

The year 1985-1986 promises to give our Sunday Schools another opportunity to achieve new greatness. If one is able to judge from the 70 teachers and officers who attended the September 16 workshop, then this association will have more effective Sunday Schools doing an even better job at teaching and reaching. The "Good News America" Revivals will provide the challenge, and our commitment to the Lord's work will produce the fruit. God Bless.

1984-1985 Church Training Report

The year started with a Pastors' Appreciation Dinner to acquaint pastors and church training directors with the materials, opportunities and help available for starting church training, with 14 churches participating.

On May 23, an Associational Youth Rally was held at Angier Baptist Church, with 13 churches participating and Mr. Doug Berky, Mime, bringing the message.

The Children's Bible Drill was held April 16 at Buies Creek Baptist Church with 14 churches participating. The winners here went on to participate in the State Drill on May 14.

Two churches participated in the Youth Bible Drill and Speakers Tournament. All 12 participating in the Drill at Buies Creek Baptist Church on April 23 won and went on to win in the State Drill in Hendersonville on May.

The Key Leadership Conference at Ridgecrest in May was a great experience, giving materials, ideas, encouragement and spiritual uplifting.

We are looking forward to a bigger and better year beginning with "M" Night on November 25 at Memorial Baptist Church in Buies Creek -- "Bringing Together Lordship and Servanthood."

World Mission Report

Southern Baptists shaped their identity when they organized as a Convention in April 1845. They established home and foreign mission boards for the "propagation of the Gospel" and formed a plan for "directing the energies of the whole denomination in one sacred effort" to accomplish this task.

Southern Baptists are a missions people and a cooperating people. Our unity is found in God who guides us in our varied ministries. He does not call in the same way. He does not send to the same place. He does not provide the same resources. But it is the same Lord who calls, leads and provides for us all.

I call your attention first to the growing and challenging program of home missions. Among home missionaries and volunteers there is a diversity of gifts and ministries. There are 3,723 missions personnel at work in 13 program areas, committed to share Christ with every person in our land. Highlights of some of these programs are as follows:

The Associational Administration Department relates to directors of missions in 1,200 associations, in training and development of associational leadership. Black Church Relations Department assists with the nurture of black Southern Baptists congregations through the work of 72 missionaries and student interns. Cooperative Ministries are carried on with the National Baptist Convention and the Progressive National Baptist Convention.

Through 1,728 endorsed chaplains, the Chaplaincy Division supports ministries to people in hospitals, institutions, businesses, industry and the military. Christian Social Ministries provides Christian love and witness through counseling, clothing and food closets, Baptist Centers, programs for the aging, illiterate, juvenile delinquents and alcoholics. Thirty CSM missionaries were appointed in 1984, bringing the total to 340.

Church Extension placed 429 church starters in all states and territories excluding the District of Columbia. The Evangelism Development Department provided training in 10 states for 135 evangelism directors and in enlisting support for the 1986 simultaneous revival meetings. There were 400 renewal conferences involving 40,000 persons promoted.

Language Missions Division works with 84 language groups speaking 87 languages to witness and establish churches. There were 350 new church type missions, Bible studies and/or Sunday Schools started. Special Missions Ministries Division in 1984 assigned 42,416 volunteers in a variety of ministries and the Mission Service Corps assigned a total of 1,323 volunteers.

In 1984, 3,723 missions personnel, plus 1,728 endorsed chaplains and 335 Atlanta staffers, reported 63,739 professions of faith, 5,042 commitments to special service, and 34,363 church additions by letter. The Annie Armstrong Easter Offering received $24,914,311 for home missions.

Equally impressive are the statistics gleaned from the Annual Report of the Foreign Mission Board: 3,432 Southern Baptist missionaries now work in 105 countries. Three new countries were entered in 1984 - Finland, Pakistan, and Sierra Leone. Mozambique was re-entered and became the 105th country. Overseas churches related to Southern Baptist foreign missions baptized 156,326 persons last year, a seven percent gain over the 1983 figures.

Church membership rose to 1,910,483, growing at the rate of nearly 4,000 new members a week, almost a 12 percent gain. Nigerial Baptists now number almost half a million, second only to Brazilian Baptists.

A record $8.5 million in hunger and relief funds were channeled overseas in 1984, especially to drought-stricken Ethiopia and other areas of Africa and missionaries and national Baptists assisted to more than 350,000 persons in community centers and 3,029 residents in children's homes.

Southern Baptists are volunteering in ever-enlarging numbers to participate personally in overseas missions. In 1984 a total of 11,394 persons were assigned to overseas programs. In Ecuador, 110 volunteers worked in a crusade and saw 1,939 professions of faith in Christ. Fifteen states are actively engaged in "Partnership Missions" with overseas mission programs, North Carolina's programs are in Togo and European Baptist Convention (English-language).

The number of churches increased to 14,791, up almost nine percent, and mission and preaching points grew by 784 to 17,779. In the midst of global economics instability, overseas Baptists gave the equivalent of $76.7 million in church offerings $4.2 million more than in 1983.

In missionary medical work, 63 physicians, 9 dentists and 72 nurses in 26 hospitals and 104 clinics worked alongside 5,559 nationals in treating nearly 163,000 inpatients and more than 1,363,000 outpatients. For the second consecutive year, one of the brightest spots in the overseas report was in seminary enrollment, with more than 8,900 studying in overseas seminaries, a gain of 22.4 percent. Another bright spot is the fact that more than 200,000 Southern Baptists here in the United States committed themselves to praying daily for specific prayer requests related to foreign missions.

World missions is our biblical heritage - and more. Our challenge is to keep on translating the Great Commission into the realities of each age. It is a costly commitment, but there must be sacrifice in our pilgrimage. God has placed the money in our hands, and the world in our hearts. He is loving us to love a lost world. Bold Mission Thrust has given us the vision - it is a vision based on love and trust and the cause is humanity-wide, and God-sized.

Report of Woman's Missionary Union

The watch word for the year 1984-1985, "Our love should not be just words and talk; it must be true love, which shows itself in action," (I John 3:18, TEV) became the theme of Woman's Missionary Union with the emphasis on "By Love Compelled."

Training is essential to the life and growth of W.M.U. in our churches. The W.M.U. council members attended the regional workshop at Camp Caraway in August. This training prepared us for our own Associational Leadership Conference which was held at Westfield Baptist Church in September. One night age-level manual studies were held at Erwin First Baptist, Lillington Baptist Church, and Kennebec Baptist Church with a total attendance of 82. Training was also done through the teaching of the foreign and home mission studies in the churches by several of the associational directors.

Mission Action activities included an appreciation dinner for the workers and volunteers of the Harnett Youth Center at Memorial Baptist Church in Bules Creek. Two hundred eighty dollars was sent to the state W.M.U. to help purchase Christmas gifts for the women at the N.C. Correctional Center. The Literacy Council has functioned all year with 15 volunteers and 25 students in the field of literacy. The Anderson Creek Community has afforded many area churches the chance to serve through mission action activities. In April we also participated in a "Spring Fling" at Campbell University. This is a one day event for persons with mental retardation under the sponsorship of the Special Ministries Department of the Baptist State Convention. Health kits and school kits were provided again for the migrants during the summer months.

The prayer retreat, held this year in June, was another outstanding event. Led by Mrs. Eunice Andrews Bland of Wake Forest, 142 women from 21 churches of the association attended. A Love Tea was held for Ms. Phyllis Thomas, our missionary to Chile, in December at the Campbell House in Buies Creek. The annual Pastor's Appreciation Banquet was held in February at Campbell University. The Reverend Horace Hamm of Fuquay-Varina Baptist Church was the guest speaker.

Acteens held an overnight retreat with the B.Y.W. from Campbell co-sponsoring the event. Many acteens attended Acteens Day at Campbell University. Girls-in-Action held a mission action fair in May at Buies Creek First Baptist Church. A fun-filled day of mission action activities were enjoyed by the girls.

Always one of the highlights of our year's work is the annual meeting. This past spring we met at the East Erwin Baptist Church with Mrs. Kay Culpepper of Wake Forest as our guest speaker.

We welcome several churches who now have at least one age-level organization for the first time. Many churches report new organizations within their churches. We are hoping that the final report will show a gain in organizations and in membership.

As the year 1985-1986 unfolds with the emphasis on "multiplying the vision," we challenge each church to take seriously the responsibility of providing a quality missions education program for their women, men, boys, and girls - for we are all "laborers together with God."

Respectfully submitted,
Brenda Chatham, W.M.U. Director

1985 Baptist Retirement Homes of North Carolina Report

For over 34 years, N.C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works–providing security and hope in the midst of sincere concern and love–bringing about the possibility for abundant life–one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Administrative Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Home' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the Retirement Homes' ministry from August 1984 - June 1985:

- The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.
- Over $100,000 of benevolent care was provided monthly to Home residents.
- Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
- The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, N.C.
- The first meeting of the Retirement Homes' "Heritage Club" was held. The club members have included the Homes in their estate planning. Last year, through bequests, trusts, etc., over $400,000 was given to support the Retirement Homes' ministry. Information about the Heritage Club is available from the Administrative Offices, Winston-Salem, N.C.
- The fiscal year ending September 30, closed in the black, largely due to special gifts.
- "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults–Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

Cooperative Program-Stewardship Report

What ties us together as the Little River Baptist Association and as part of the Southern Baptist Convention is our voluntary cooperation. Being Baptist and cooperating together is both natural and normal. Central to our joint ministry is the Cooperative Program. In 1983-1984 the Little River Baptist churches gave $249,416 to the Cooperative Program. It is an increase of $13,304 (5.6%) over the previous year. The total undesignated gifts for 1983-84 was $2,118,447 which means 11.7% of our undesignated offerings went to the Cooperative Program. Approximately 65% of the amount given through the Cooperative Program is kept for mission causes through our North Carolina Baptist State Convention and 35% support mission causes through the Southern Baptist Convention.

In 1983-84 Little River Baptist churches gave $47,095 to support the ministry in our own association. This was an increase of $6,978 (17%) over the previous year. *That's a good move in the right direction!* Designated gifts to the association in 1984 were:

1. Faith	4.4%	6. East Erwin	3.26%
2. North Clinton Ave.	4.0%	7. Bethel	3.03%
3. Gourd Springs	3.83%	8. Westfield	2.83%

The top nine churches giving the greatest dollar amounts to the association in 1984 were:

1. Lillington	$3,427	6. Dunn First	$2,353
2. Erwin First	$3,150	7. Holly Springs	$2,300

Following this report is a copy of the Stewardship Standard, a tool to help churches make their stewardship development more effective. This standard can help your church plan, measure, and promote stewardship activities. It is not intended to measure success and failure, but intent and activity. The Stewardship Standard provides your church with a guide for evaluating and planning activities and emphases related to stewardship that will help individuals in their spiritual development.

If you complete four of the seven steps in each section, your church will qualify for BASIC recognition. If you complete six of the seven steps in each section, your church qualifies for ADVANCE recognition. By completing all sections, your church qualifies for EXCELLENT recognition.

John S. Rogers

1985 Baptist Hospital Report

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344.00.

1985 Council on Christian Life and Public Affairs

This has been an extremely busy year for the Council on Christian Life and Public Affairs. Through its three departments, it has provided a variety of field service events and educational resources for North Carolina Baptists. Associational Christian Life Committee members were trained and guidance on a wide range of social and ethical issues was furnished to churches and associations. June was promoted as World Hunger Month and our churches increased their giving significantly over that of 1984. The Council made available bulletin inserts, posters, world hunger calendars, and hunger banks, in addition to free offering envelopes.

DEPARTMENT OF CHRISTIAN FAMILY LIFE

A wide range of family life events was led by the department's director. Included were six associational or churchwide Family Enrichment Conferences; three marriage enrichment retreats in addition to sponsoring the annual three-day Clergy Couples Retreat in January and the four-day Basic MER Leadership Training Conference in August; two areawide single adult seminars and an associational single adult event. The Director also spoke at two Better Homes Clubs, and one church night family emphases on topics such as "Ten Commandments for a Good Marriage." He also led three Family Life Revivals, preached in three churches on a Christian family emphasis, spoke to two Baptist associations on ministering to families and divorce in the pastorate, and conducted three parenting workshops. Slide presentations on Toga and Baptist distinctives were presented in two churches.

Two major foci of the department this year were making available four Domestic Violence Conferences in which the Director offered leadership; also three Divorce Adjustment Workshops were led by Dr. Roger Crook, family life specialist in the area. These were held in each area of the state under the department's sponsorship.

Two planning meetings of the Family Ministry Department, Sunday School Board, were attended in Nashville and Houston. The Southern Baptist Association of Family Ministry was also attended.

Consultations by the Director assisting churches, associations, and pastors in their crucial task of strengthening family life were offered. Two conferences for pastor's wives were underwritten by the department.

DEPARTMENT OF AGING

Ministry with Senior Adults in North Carolina has experienced significant growth this year. Churches are becoming increasingly aware of the potential for ministry among older adults. Senior adult leaders received training in several workshops across the state and a number from North Carolina attended the National Seminar on Aging in Atlanta, Georgia in January. In addition, more than 100 pastors participating in the "Pastoring Older Individuals and Their Families" seminars held in April in four locations in the state.

Six conferences/retreats for senior adults were held at Caraway Baptist Conference Center with more than 800 persons in attendance.

The department continues to cooperate with the Christian Family Life Department in family enrichment conferences with sections for older persons.

Many churches observed senior adult emphasis day.

DEPARTMENT OF CHRISTIAN CITIZENSHIP EDUCATION

The work of Christian Citizenship Education has focused on the 1985 session of the General Assembly, which convened in February and ran into July. As usual, money matters took center stage, with much time going into the preparation of the state's budget and into debate regarding tax reductions. In addition, the legislature dealt with significant issues affecting the environment, education, alcohol abuse, pornography, gambling, and day care. The Department continued to make legislative news available to Baptists through the Legislative Information Network, made up of nearly 900 persons who received regular updates on issues facing the General Assembly. For the first time, summaries of L.I.N. materials were prepared and mailed to all pastors through the Pastor's Monthly Mailing. Some associations took advantage of the opportunity to have an Associational Day at the General Assembly, bringing a group of interested church members to Raleigh to see first-hand the work of the legislature.

World Hunger continued to be a matter of great concern to many Baptists. The ongoing crisis of famine in Africa has stirred new awareness of the problems and new generosity in response. In 1984, for the first time, North Carolina Baptists gave a little more than one million dollars through Baptist channels to fight hunger. In 1985 giving is running ahead of 1984. Yet so much remains to be done. While millions face death in Ethiopia, Sudan, Mali, Mozambique, Chad, Niger, and Burkina Faso, our gifts still average less than one dollar per Baptist per year. Please be in prayer:

--for the millions facing hunger and starvation,
--for rain to relieve the African drought,
--for caregivers (missionaries and others) who seek to help,
--for ourselves, that our compassion may lead us to greater generosity.

The North Carolina Baptist Foundation, Inc. Report

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153 for the year. When maturity value of bonds in the invested porfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65-year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation are available by contacting the Foundation office at P.O. Box 26508, Raleigh, North Carolina 27611.

American Bible Society Report

The American Bible Society reached a major milestone in 1984, distributing its four billionth copy of Scripture, and the Southern Baptist Convention has had a vital role on this achievement. It is with the deepest gratitude for your faithful support that ABS submits its report to you this year.

We praise the Lord for reports coming to us from over 180 countries concerning the advances which are being made in all aspects of the Bible cause. ABS and its 99 partners in the United Bible Societies around the world are currently involved in translating the Word of God in 562 languages. In distribution, all indications are that there were significant increases throughout the world in 1984 and dramatic increases in areas where there are extreme needs. The impact of the Bible on the lives of countless souls is inestimable and we give our heartfelt thanks to Southern Baptists who are co-workers in the worldwide vineyard with us.

The following is the kind of moving account of the power of the Scriptures in people's lives which Bible workers hear constantly. A young widow in Ghana, lonely and grief-stricken for two years, was reached through reading the precious Word of God. After telling a Bible Society worker about her grief she said, ". . . but last night I decided to read my Bible and the passage which caught my eye was John 14:1-2. As I read, joy filled my soul and my heart was comforted at last." It is with Southern Baptist support that many individuals like this are finding Christ and growing in His grace.

PLANNING FOR THE FUTURE

The American Bible Society looks to the days ahead with great enthusiasm. New projects in translation are underway, there are real challenges in distribution, and new opportunities for Scripture outreach are presenting themselves constantly. The year 1985 will be a year of intensive planning not only for ABS but for Bible Societies worldwide. The years 1986 through 1988 have been designated as Years of Youth Advance, and ABS will be focusing on the distribution of God's Word to children and youth. Excitement is building as we think about the evangelistic and Christian growth opportunities which this emphasis will provide for the churches and for the next generation.

However, with all of the faith and optimism, there is also reason for great concern. Sustaining and increasing programs, planning effectively for Youth Advance and meeting the urgent requests which come in to us constantly will only be possible through greatly increased support from the churches. A top Southern Baptist leader recently made this statement: "Without the truth revealed in Scriptures, missionaries would have no message to carry. Bold Mission Thrust would become little more than a fantasy. But the availability of God's Word in all languages to all people cannot be assumed. It must be provided."

In 1984 Southern Baptists gave $309,610.00 to the Bible cause. The largest portion of these gifts came from individual local churches. Translated into practical terms, these contributions meant that God's Word could be placed in the hands of thousands of men, women and children throughout the world.

The American Bible Society gives thanks to you for your support and for your prayers, and looks forward to increased ties of fellowship. Our pledge to you is to work increasingly in partnership with you to fulfill the great commission of our Lord and Saviour, Jesus Christ.

1985 The *Biblical Recorder*

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the *Biblical Recorder* is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are *not* members . . . of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The *Recorder* gladly and gratefully assumes its role in this Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will *not* be raised for the *fourth* consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as *The Biblical Recorder*.

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

1985 North Carolina Baptist College Report

Campbell	Chowan	Gardner-Webb	Mars Hill
1887	1848	1905	1856
Meredith	Wake Forest	Wingate	
1891	1834	1895	

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 779! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

CHRISTIAN EDUCATION. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

BAPTIST STUDENTS. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

COOPERATIVE PROGRAM. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

Youth and Campus Ministries

One of the most exciting and challenging ministries of North Carolina Baptist churches through our Convention is that done by the Division of Youth and Campus Ministries. Our task on behalf of junior and senior high school students is to provide leadership training for adult and youth leaders to coordinate the Convention's several programs which include youth, and to project the Convention's Youth weeks at the Assembly. Rick Traylor does an exceptional job in that area.

You have assigned to us your primary ministry with students. We have BSU or some organized group work on 43 campuses. More than 30 volunteers work alongside some 20 full-time campus ministers and four other staff persons in your ministry to students. We as campus ministers are committed to serving consistently as resource persons for church workers with college students in all North Carolina Baptist congregations. We guide in local emphases which include evangelism, missions experience and education, Bible study, worship, integration of faith and education and decision making as part of Christian discipleships. Over $40,000 has been contributed by North Carolina BSUers this year toward a state-level missions program which witnesses around the world. Additional money and time are invested as students find ways to serve in local communities, usually alongside their older Christian brothers and sisters.

Our BSU's from Cullowhee to Greenville and Murfreesboro have teams of students who are prepared to preach, teach, sing and share with those in Baptist churches nearby. Puppet and clown teams, in addition, present the Gospel in unique but effective ways to children, senior citizens and everyone in between!

In seven locations - Cullowhee, Boone, Greensboro, Chapel Hill, Raleigh, Greenville and Pembroke - the Convention owns student centers, facilities especially dedicated to ministry with persons in the academic communities.

Memorial Report

A memorial observation is first of all a reminder of the place of death in the scenario of life. It is not only the final experience of our lives, but it is the last thing many of us want to think about. We get so involved with life's passing things we forget that our earthly existence is a passing one. Each of us knows that we are pilgrims on a journey where here is no permanent abiding city.

As Christians we do not regard death as a tragedy but rather an interlude in an endless order of things towards which "the whole creation moves." Since life in Christ is eternal in quality, we here affirm that neither encroaching age nor death can touch us - the real us! We do not belong to time nor death, but to the timeless and the deathless. We belong to Christ who is life. We shall have to surrender our bodies to what is called death for we live in a mortal world. It was never intended that we be immortal in a mortal world. So death is a part of life, another chapter or milestone in our ongoing migration to whence we came. It is God's final act of healing on this earth as we take residence in bodies like unto Christ's own glorified body. It is in this faith that we commit friends and loved ones to this Divine transition.

The list of our departed co-workers reminds each of us of an appointment which we are destined to keep. We hereby bless and hallow the memory of those who have already kept their appointment, who have safely completed their journey having arrived at their eternal Home.

1984-1985 Evangelism Report

This has been a year of spiritual preparation for the "Good News America" Revivals to be held in the year 1986. All Baptists and Baptist churches are urged to participate in these revivals. The revival dates recommended for our area are March 9-16. Currently we have 16 churches in our association who have indicated they are planning to participate. During these revivals we will be joining 50 states, 37 conventions, and 2 fellowships.

On the state level several Continuing Witness Training Workshops have been held across the state. In February of 1985 the Statewide Evangelism Conference was held at War Memorial Coliseum in Greensboro with 2,500 in attendance. Super Summer '85 was held at Wake Forest University, July 10-12 with the Crusade on Friday night in Greensboro and almost ten thousand young people in attendance. The Evangelism Division sponsored 15 regional meetings (training for pastors involved in the "Good News America" Revivals) in October 1985. One of the highlights of the year was the Single Adult Evangelism Retreat.

On the local level, a pastors' briefing was held in November 1984, led by Dr. A.L. McGee concerning the "Good News America" Revivals. Also a Reaching People/Scripture Distribution Conference was held in conjunction with the Sunday School Enlargement Campaign follow-up on August 1, 1985. Churches were encouraged to participate in the People Search/Scripture Distribution during the week of October 20-26.

An Associational "Good News America" Rally is being planned for January 13, 1986. There will be conferences for each church committee recommended and described in the "Good News America" Church Preparation Manual which each pastor who attended the regional Evangelism Conference received. In addition there will be an Associational Choir and Dr. Delos Miles, Professor of Evangelism at Southeastern Seminary, will be the guest speaker.

With baptisms down this year, let's pray God will use each of us to win one person in 1985-1986.

1985 Baptist Children's Homes' Report

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day," the Centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote, *A Hundred Years of Caring,* an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July, a 1,400 mile relay marathon, the longest in the history of North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise and thanksgiving.

An update from the Pembroke Family Services Area reveals the following highlights:

The work at Odum Home has proceeded well over the past year with some landscaping goals achieved, staff training completed, and the completion of some programming goals in the area of recreation and education. The population of Odum Home has been consistent and continues to average near maximum capacity. We are looking forward to greater contact with the associations and with pastors both in referral of families and the sharing of events and ideas.

Odum Home is now in the process of testing a computer system that will enhance the capabilities of our ministry and allow us to be more efficient and effective.

Anderson Creek Community Ministries/Mission

The work through the Ministries and Mission of this part of our associational life continues to grow and is healthy. Many families are benefiting from the food bank distributions and the token cost clothing and furniture items available through the Thrift Store.

Earl Lamm has seen to it that this ministry is now affiliated with the Cape Fear Regional Christian Social Ministries Council, a management and screening organization which seeks to minimize abuses of the services while making available even more resources for helping people and families with all of their needs.

The Mission has grown to 61 members and average weekly attendance at Sunday School is 45 and morning worship is 60. There were 18 baptisms recorded at the Mission last year. Total offerings received from Mission members last year was over $14,000. Enthusiasm and excitement continue to run high despite the less than ideal circumstances under which they meet from week to week.

The Steering Committee consists of three members from Antioch and Lillington churches and one from Hillmon Grove. The pastors of the respective churches serve as ex officio members. This committee meets monthly and has taken responsible interest in the work there.

The greatest need, at this point, is for land on which we can build our first unit. We are grateful to our Lord that it seems He has ultimately answered our prayers and we are negotiating for a beautiful tract of land on which there are two usable buildings. We except acquisition to occur in a few weeks! Continue to pray with us!

We are grateful to our association for the financial involvement that continues to be given and to the several churches and individuals who have been generous in gifts to the Mission and Ministry. Because of this generosity, we will be able to "possess the land" and proceed with the building. Other churches send workers for VBS, Backyard Bible Clubs, Big A Clubs, Etc. There is an ongoing need for more involvement of this type. We urge you to get involved with us there.

The year 1985-1986 promises to be a great year for this important and growing work.

Building Committee Report

Most of us have read *Campbell College, The Big Miracle at Little Buies Creek,* by Dr. J. Winston Pearce. During the past 12 months another miracle has taken place in our Little River Baptist Association. This miracle has been brought about by a far-sighted planning committee and the relentless work of a building committee.

"To God be the glory, great things He has done." We praise Him for His generosity and leadership in this great adventure.

As you read the following final financial report, you will observe that every dollar has been spent wisely, consequently, we have one of the finest associational office buildings in our state. It is furnished and debt free; also, we have a small balance in the building fund.

As chairman of the Building Committee, I wish to express my own appreciation to one of the finest committees it has been my privilege with which to work. The committee is composed of Mr. Henry Rawls, Mrs. Jackie Elmore, Mr. Glenn Oliver, Mr. Leon Burgess, Mr. Floyd Glover and Mrs. Emma Wood. Ex officio members include our Moderator, Mr. Harrington Morrison, Past Moderator, Dr. Frank Neville, our Director of Missions, Rev. I.B. Laughrun and the contractor, Mr. George Womble. This committee believes that this new facility will greatly enhance the work of our Lord throughout our association.

With great pride in accomplishing something wonderful and beautiful, let us see to it that His message of love is shared with every person at home and around the world.
